Rotary is a worldwide organization of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. Approximately 1.2 million Rotarians, belong to more than 32,000 clubs in more than 200 countries.

The Beverly Club, the largest in our district, has members who are very active in the community, not only with the Rotary, but numerous charities and organizations that benefit Beverly and beyond. Each Rotarian in our club shares their talents, resources and time to make Beverly a better place. Each year, our club raises money through a variety of fund raising events. In turn these funds are then distributed to many local programs in Beverly and beyond.

Our work in the community is diverse, and includes providing scholarships to graduating high school seniors, funding and supporting Veteran's issues, a new playground for Beverly Children's Learning Center, a major sponsor of the revitalization of Ellis Square, and supporter of worldwide efforts to eradicate polio with support from the Bill and Melinda Gates Foundation.

We are in your community and we are part of your community. This coloring book is meant to gather us all together at a distance and enjoy the beauty of nature and Beverly the town we all love.
