**GREAT FUN!
GREAT CAUSE!
GREAT FOOD!**

Okay two out of three ain't bad. At Danversport Waterfront (Where you are right now) We will have our next big thing on Friday March 13. We will be entertained by Howl at The Moon a National performing troupe that will get you out of your seats to dance and get jiggy wit it, to quote Will Smith. Very soon your inbox and mailbox will be flooded with all the details and fun activities that the night will bring. One of the major benefactors will be the Beverly Library which is looking to upgrade it's teen center and make it more attractive to youths today. NO vaping booth to dispel nasty rumor, just good clean renovations and furniture. Stay tuned party time, excellent, with NO GARTH!

Speakers last week

Dogs and big ones at that were part of our speaker program last week. A few pics of Judy Connor the trainer and Sizzle and Bentley who were well behaved, unlike some of our members, who need a good swat on the nose every now and then.

GUNG HEY FAT CHOI!

Year of the Rat starts this Saturday. What the heck were the Chinese thinking? A Rat? A filthy stinking Rat?

Rats are various medium-sized, long-tailed rodents. Species of rats are found throughout the order Rodentia, but stereotypical rats are found in the genus Rattus.

Getting the willies just reading...

I like President Dave since he's the big Cheese so in his honor I will gnaw on him to my delight until I'm full.

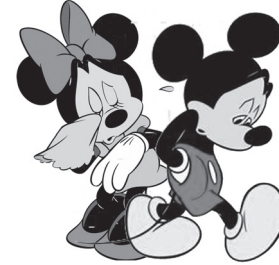

FUN FACTS:

The year of the rat falls on 1924, 1936, 1948, 1960, 1972, 1984, 1996 and 2008. People who are born in the year of the rat are said to possess the rat-like qualities of creativity, honesty, generosity and ambition, but also a quick temper and wastefulness.

- Wu Xing (The Five Elements): Water (Shui) Yin Yang: Yang
- Strengths: Intelligent, witty, charming, ambitious, practical, alert, outgoing, adaptable
- Weaknesses: Stubborn, timid, greedy, unstable, picky
- Lucky Numbers: 2, 3
- Lucky Flowers: Lily, African violet

Mickey and Minnie Move to Canada

Due to confusion of if they are Mice or a sub-genus of Rat, Mickey and Minnie will be moving to Canada to join Royals Harry and Megan to escape the mis-perceptions that they are actually Rats and not Mice at all. Walt Disney has not commented because he's been dead for 50 years. Take up hockey and curling.

**YOU CAN CUTE IT UP
BUT IT'S STILL A RAT,
EEWWWWW!!!!**

Rotary Primetime

Coming soon to a local Cable Station near you, mainly Bevcam will be a new program called Around Town With Rotary, featuring host's Mike Harrington & Al Temkin. Each week/month(still deciding) our hosts will bring you all the news and exciting projects we have going on. Unfortunately no massive giveaways like Oprah are planned, but what is planned is a forum that we can tell the community what we do and where we do it. Predictions are the show will corner the coveted 70-95 year old market, but we'll just have to wait and see. Promises to be bigger than Wayne's World and Rick and Morty. First show will feature President Dave and Mike Jones talking about the Raucous Rotary event. Remember TV adds 10lbs so wear your Spanx to look good.

Chinese new year words to live by.

Confucious say, person who live by four way test, give back to community with zest.
