**GREAT FUN!  
GREAT CAUSE!  
GREAT FOOD!**

Okay two out of three ain't bad. At Danversport Waterfront (Where you are right now) We will have our next big thing on Friday March 13. We will be entertained by Howl at The Moon a National performing troupe that will get you out of your seats to dance and get jiggy wit it, to quote Will Smith. Very soon your inbox and mailbox will be flooded with all the details and fun activities that the night will bring. One of the major benefactors will be the Beverly Library which is looking to upgrade it's teen center and make it more attractive to youths today. NO vaping booth to dispel nasty rumor, just good clean renovations and furniture. Stay tuned party time, excellent, with NO GARTH!

**World Peace Dinner**

What has 10 brains and 2 gorks? Why the Rotary World Peace Dinner with the Interact and Rotaract ladies from Beverly High School and Endicott College. Lots of great ideas spewed out from the high energy ladies to work on a Rotary project before end of the Rotary year. You'll hear more soon about what they want to do. If this is the future were in great shape these ladies were smart and had lots of great ideas to toss out. If Becky and Brenda see this photo there may be a rift in World peace as we know it, so keep it cool and lay low, very low...

### Classification Speakers

president Dave with Connor Mooney and Paul Drinkwater who gave entertaining talks last week for their classifications. A few tidbits to mull over that we learned. Paul, born raised and more than likely will croak in Beverly in the very distant future. As a newly minted proud father and in the middle of tax season he has discovered what a human can do without sleep. Connor who now calls Matt Blanchard his dad now (as sponsor) like to travel just coming back from Azores recently, looks to be a Rotary President before he loses hair aka dad and Dave Olson. Also hoping to do the paddle board cleanup as an annual event. Thanks for the entertaining talks.

### Big birthday, BIG check

Mike Jones in a show of big birthday = big check made a statement with his 40th birthday. Congrats Mike on this milestone. Overheard from a senior member " what's the big deal?, I have a bunion older than him! and I'm not celebrating".
