Last week at the Beverly Rotary Club...

WEATHER POLICY

In the event of weather on Thursday and Beverly Schools close we will NOT have a meeting. If schools have a delay we will still meet at regular time. You will be reminded anyway.

Last Week

Meeting started at 5:30 PM and was called by Maureen Trefry.
Pledge: All
Song: God Bless America - Maureen
Prayer: Sue Gabriel

Ella Coulton - Senior at Beverly High School and President of the BHS Interact Club - introduced Leslie Gould.

Leslie introduced Jodi RR Smith: President and Owner, Mannersmith Etiquette Consulting.

Jodi spoke about her experience with networking and teaching people basic interpersonal skills to help them build and cultivate relationships. She rearranged the people in the room and had Rotarians and Chamber Members sit with students from the local high schools. Students and adults were taught basic etiquette for engaging with new people. Adults were divided based on area of work experience and partnered with groups of students whose interests aligned.

Mike Jones was miserable because all he saw was a room full of inexperienced drivers.

The night ended with an Ice Cream Sundae bar... that made Mike slightly happier.

Rotary Primetime

Coming soon to a local Cable Station near you, mainly Bevcam will be a new program called Around Town With Rotary, featuring host's Mike Harrington & Al Temkin. Each week/month(still deciding) our hosts will bring you all the news and exciting projects we have going on. Unfortunately no massive giveaways like Oprah are planned, but what is planned is a forum that we can tell the community what we do and where we do it. Predictions are the show will corner the coveted 70-95 year old market, but we'll just have to wait and see. Promises to be bigger than Wayne's World and Rick and Morty. First show will feature President Dave and Mike Jones talking about the Raucous Rotary event. Remember TV adds 10lbs so wear your Spanx to look good.

Rotary After Hours

A splendid night to mingle and possibly mentor a youth from the High School. An interactive night with presenter Jodi Smith nationally acclaimed etiquette consultant, who shook up the room by having people spread out and sit in different spots. Plus making sure your name badge is on RIGHT side so visually your is visible as you shake hands. Overheard "WE DON'T NEED NO STINKIN' BADGES from some older members. Nevertheless a great night to learn and meet the future of our country, or at least Beverly if they want to be a townie. As witnessed by above photos a Rotary first since 1931 whereas the average age of the group was below 40. Zoinks Scooby that is something else! Plus a sundae bar was provided since our country doesn't allow alcohol to those under 21. They still got good and buzzed off the syrup and jimmies. Thanks to Greater Beverly Chamber Czar, Leslie who was meeting ring-leader, and party girl. Did you schmozz with a GBCC member?
