# Raucous! Rotary!

FEATURING **HOWL 2GO**  
BY HOWL AT THE MOON.

## POSTPONED EVENT

The event has been postponed due to the Coronavirus and Governor Baker's declaration of state of emergency. Committee is looking at options to continue the event at a later time. Please be patient in these unique times we will let you know any details as we know them.

## Last Weeks Speaker

Mayor Cahill came saw and conquered last week as he gave an accounting of how Beverly is doing. Going green, building homes, making affordable housing and ripping on Ed for being born a few days ahead of him. The Mayor also thanked the former Mayor (Bill Scanlon) for leaving the city in such good shape. His honor is doing a great job managing our little hamlet on teh North Shore. No slide show just straight from teh gut info. Only gripe is we don't see him enough.

# PARTY POOPER?

Raucous Rotary on hold as Coronavirus get nasty and spreads causing postponements left and right.

Press pause button, not cancel for our event. Due to issues out of our control we have to postpone our event. Many other organizations have followed suit to delay group meetings, events and gatherings, in the effort to thwart this nasty virus. No blame just common sense and good hygiene habits will go a long way.

Be safe

Anna Langstaff is a new Grandmother!

Matt Blanchard is happy for the refi boom (but he's tired)

Mike Cahill volunteered to pay whatever fine Ed was due to pay on Mike's behalf

### Speaker

This week's guest speaker was Mayor Mike Cahill who gave us his annual State of the City Address

There's a lot going on in our fair city

Mayor Cahill started by giving credit to Mayor Scanlon for all of the groundwork he laid for everything that's happening in Beverly. He also recognized City Councilor Julie Flowers and Anna Langstaff for her work at the Library.

The Summer Learning Program was very successful this year. 180 kids spent 5 weeks this summer taking supplemental literacy classes and spending time at the YMCA camp

Briscoe has been approved to be converted to 85 Senior housing units.

## ...Thursday, Mar. 5, 2020

Additionally, the auditorium will be renovated for community events

The new restaurant replacing the McDonalds at the Beverly Salem Bridge should be built by the Summer of 2021

The new Police Station at the Cumming Center should also be built by 2021. The building should have a net zero carbon footprint with its geothermal temperature control system and solar panels on the roof top and parking lot.

Something about Harmonic Drive and solar panels at the dump (Sorry, your scribe was distracted by the whoopie pies)

Beverly has also purchased an electric school bus. No word if it can fly into outer space or go under water (or was that the Magic School Bus?)

Judith Cronin's ticket was chosen, but not the magic playing card. The jackpot continues to climb.

Respectfully,  
Nick Biancucci Scribe.

## Poem Event at Beverly Library

A Beverly Rotary event in conjunction with the Beverly Public Library.

P.S. Refreshments will be served at the March 26 event.

### Fashion Police

In a heavyweight bout of all things fashionable, we have a donnybrook of couture. On the left is President Kurt Steinberg of Montserrat sporting the bowtie dreams of professors everywhere, in the middle is Jim Davies wearing casual chic plaid with stone washed jeans, and lastly on right is Mayor Cahill sporting the latest in local politician wear; blue jacket, white shirt, neatly pressed and sturdy yet mundane tie. The voters have spoken and Jim in his plaid chic takes the cake for the 50th monster year.
