## Roster Updates Sprocket Ads

yes Virginia, there is a Rotary roster book and we will be updating very soon. You will get an email from moiph asking if contact info in current form is correct. Pretty simple stuff just correct or say yeah sir that's all right, all right, all right. Either way coming soon so be on lookout. You can't live on Zoom meetings alone.

In related story at left, we are entertaining ads for our award winning Sprocket. Yes you may not see a live issue for quite some time but we can use something to fill the borders. If you want to place an ad contact moiph, you'll be glad you did.

## Rotary Coloring Book

To help celebrate Earth Day in 2020, we are providing a coloring book of scenes of Nature and Beverly for kids of all ages to color in and enjoy all that Mother Earth gives us every day. Please share with your friends who have kids or grandkids, the parents will thank you. An art contest is also available to show off kids talents. Details at link on our website

## DG HOME WEBCAM

Is it just us, or have you noticed more wildlife roaming about our fair city. Dianne Palter Gil installed a webcam on her property to send pictures to "He Who Must Not Be Named". These are just a few of the animals crossing across her well travelled path. Is that big foot in the background of panel 1?

### Walter Hartford

Included slideshow of mostly personal  
pics of being an Ipswich hostage, home  
he grew up in, dorm at Zoo Mass.  
grew up in Newton with a brother and  
sister, nana was a huge influence and  
lived down the block.  
Marianne is his wife and two kids( Amelia and Anthony).  
In younger days travelled the world  
as a rogue adventurer, hitting up  
many National Parks and wilderness  
trails. Little know fact, after circling Mt  
McKinley (Denali) his small plane had  
to land on a gravel bed of rocks and be  
rescued by boat. Pilot took photo and  
wasn't pleased but for goodness sake  
the pilot was flying the plane. Walt was  
only a passenger.  
Involved deeply with community be-  
longing to various civic minded groups  
although it Rotary wasn't first logo on  
screen, it was stinkin' GBCC (brownos-  
er). He made a note that Leslie NOT Al  
brought him into chamber.

### Lisa Marciano

has 3 children all teenagers, and  
house turns crazy sometime after 11  
when food goes missing and mischief  
happens in COVID. Her and Tim  
avoid by going to bed by 10.  
Carmin is her Dad and is self de-  
scribed favorite child. Has 3 siblings  
and at one point all of them lived  
within a mile of Carmin and Carole  
(see Tom Chatellier).  
Oldest son Duncan now works at  
Shaw's and ask patrons to be kind  
and patient with him.  
Beverly Football and Basketball star.  
Featured in Salem News numerous  
times for exploits on filed or court.  
Helped take Boys basketball to D2  
Finals, last game at garden before  
shut down. Will be attending UNH on  
full scholarship for football whenever  
that happens.  
Middle child Alyssa goes to Tilton  
School and excels in classroom and  
Basketball court. Running for class  
President. Doing remarkably well for  
a teenage girl in shutdown, no drama,  
no boyfriends sneaking over, no  
worries. Also will be attending UNH  
on scholarship ( I see Alumnae Club  
calling nightly)  
Youngest son Owen, funny, emo-  
tional, strong, and likes to mention  
"nuts" in mixed company. Disciplined  
by Carmin but nothing sticking yet.  
Can bench 200lbs at 14 and loves  
working out. Too young to be a gym  
meathead, but he loves working out.  
Going to boarding school in Newton  
which has a very competitive foot-  
ball program. plus he gets to wear a  
jacket and tie all day (See bankers or  
Lawyers)

Lisa is proud to have earned a MBA  
in Insurance from BU, very rare for this  
vicinity.  
Ran 6 half marathons = awful experi-  
ence  
Has 2019 Womens softball trophy and  
won't give back until Covid over.  
Tried to infuse musical talents into chil-  
dren - awful experience

Work used to be commuting to Quincy -  
awful experience  
Paid dues and began working with  
Carmen 20 years ago, lts of fun with  
family.  
Agency bought by Cross in 2017 but  
gets to run her way. Two sites, in Welles-  
ley and main branch in Beverly  
30 people working form home now but  
will soon be bringing them in slowly.  
Likes to help working mom's juggle  
schedule's Every day kind of Chaos but  
like sit that way.  
Was shamelessly asked to help weak  
softball team with ringer, uncommitted  
as of press time.

### MISCELLANEOUS:

Dr. Peterson deployed to Brooklyn to  
help with COVID patients. Double  
mask, double everything. Stay safe Dr.  
Karen Nascembeni doing well in rehab  
as well as Veikko who was featured on  
news last week.

Sadly Lori Ciancuilli's mom passed  
away.

Keep all these folks in your thoughts  
and pass along positive vibes.
