Last time at the Beverly Rotary Club...

Meeting was called to order by Sarah Liporto at 1:16PM.

Pledge of Allegiance was led by Walt Hartford, followed by Freddi + Dianne leading us in song and an invocation led by Jack Good.

The following were guests of the Beverly Rotary club:

Svenja Wagner
Francisco Grasseti

Visiting from other Rotary clubs were:

Debbie Marcus, from Manchester Essex

Announcements:

- We ended up with 40 units of blood from our Blood Drive; we had hoped for 23. The Red Cross was very impressed.
- Rotary International and the District loosened grant guidelines so that Clubs can help their communities respond to COVID-19.
- The concept is that whatever the Club gives, the District matches.
- We have put in a request to the District for Beverly Bootstraps.
- YMCA is asking us to reconsider our grant that usually goes towards summer reading—to be re-directed toward childcare for first responders.
- Anyone who is ServSafe certified and wants to help—there is a need there.

•Sue Gabriel proposed a thank you letter campaign for Bootstraps workers. There would be some process whereby Rotarians write letters and the letters themselves are quarantined after being received. They'd be distributed after a safe amount of time had passed.

Sergeant-at-Arms: Bill Beckman

- Zoom backgrounds are a thing nowadays- you want a nice pristine one. Scott Dougherty was fined for having the sketchiest real-life background in the club.
- Peter Hersee's

Rachel's Cat newsletter bombing our publication

Zoom screen name—phersee—had Beckman thinking he might be a Pharisee during this Easter season.

•Svenja was visiting virtually from Germany, where they have a very low rate of infection. So congrats to Svenja and Dr. Jamie can pay a fine for that.

•In just the 5 minutes preceding the Sergeant's fines, all of the following people touched their faces: Jo, both Diane's, Jack, Sue, Leslie, Derek and Kim. DON'T TOUCH YOUR FACES!!!

•We talked about ServSafe. Andrew DeFranza gets the award for Safe Time Served.

•Brian Dapice joined our meeting from the car. He gets a fine for not doing carpool karaoke, James Corden-style.

•Derek Maxfield. We appreciate that he was chewing with his mouth closed, but he still gets a fine for stuffing his face during the meeting.

•We've lost too many wonderful people in our community to COVID-19. And the world has lost wonderful people too, like John Prine. So Beckman closed with an incredible COVID-19 anthem to the tune of Prine's "Fish and Whistle," which he renamed "Shelter in Place." This humble scribe suggests that we get another performance when we join together again for our dueling pianos celebration.

Guest Speaker / Program:

Leslie Gould gave a wonderful qualification presentation. Cliff Notes: She really loves Dr. Jamie and Al Temkin!

"Shelter in Place" (sung to the tune "Fish and Whistle - John Prine)

I been thinking lately 'bout the folks I used to meet
Now there's no one on the corner and there's no one in the street
So I'm stuck her on my sofa, all that I can do is eat
And I'm prayin' that we'll all be back tomorrow.
Father forgive us for what we must do
We'll quarantine here we'll think about you
We'll sit here in our jammies till we both turn blue
Then we'll shelter in our places in heaven.
I used to get up daily and go working at the store
But they closed up all the shops and can't go there no more
So we're sheltering in place - life is such a freakin' bore
But they said we should be done by August
Placed in shelter, shelter in place
Getting' so tired of my quarantine space
And if you go outside, put a mask on your face
Or we're gonna have to do this again again? again?
Father forgive us for what we must do
We'll quarantine here we'll think about you
We'll sit here in our jammies till we both turn blue
Then we'll shelter in our places in heaven.

Ya say yer freaked out by Covid-19, Ya say germs give you the willies! Well friends I got a solution for all your ills! Dr. Beckmann's original Lingette's will keep you clean and tidy all day long. Fixes Snake bites, Dog bites, Frostbite and Bug bites!
