Beverly Rotary Club Sprocket Newsletter

FREE KOOL AID!!

We welcome our 99th President, Dave Olson who promises great things in the year to come. Firstly Kool Aid for all at all times and in large jugs for swigging. This will get you in the proper mood to do service above self and make the world a better place(or so we've heard). A challenge to the youngsters in tee club to make your mark, do your thing and shine. Not really a new initiative but some older members are slacking off and a blood infusion is needed STAT! As a newspaper man Dave strives to bring all the news that

fits to print and the elimination of Polio in his year as well as spelling mistakes in Sprocket, Both huge challenges. His family was over joyed with his new post. Dave's dad was heard to say "Is it over yet?" We look forward to a headline making year!

Dave Olson Rotary President 2019-2020

Five Avenues of Service Award

Sue Gabriel, was pleasantly surprised and maybe a little teary eyed as she was awarded the rare 5 Avenues of service award. Not just for her Rotary contributions but for all her help in the community as well. Kim Manna was the presenter and they make a very nice picture. Ernie, husband of Sue was overheard saying " I'm so excited Sue won this award, but I have to build a bigger trophy case to hold more honors" She's worth it.

Moiph Award

Jackie Rap was the recipient of the first ever Moiph Award for above and beyond the duties assigned. Very excited to receive this honor as well as the little naked man thinking outside the box. When Moiph offered a full size version of naked man, Jackie wisely choose to run to the hills. A great honor for Jackie, well deserved, as Moiph tries to grapple with being a living fossil and being a living award. Oh my head hurts from new growth.

Paul Harris Fellow

Kennedy Steiner proved that the future is quite bright by being the youngest ever Paul Harris recipient our club has given out. She has collected toys for kids since she was, and still is a kid. Not sure how many but its approaching 5 digit numbers! WOVSA! A delightful young woman who is proving that young people can make huge differences in the world by simple acts of kindness. You'll be reading much about her in the future as she continues doing good. She only in 10th grade for Pete's sake! Who's Pete?

Scary Fellow

From the halls of Peewee Herman or perhaps the Kid Catcher from Chitty Chitty Bang Bang comes this portrait of Bill Beckman. Is this what happens when you host an exchange student? Or maybe he has been diddling in the expired medicine cabinet. We love him but we need to get him to take it down a notch or two. Becky was heard to say " he's very clean so its okay if he slips once in a while".
