Worldwide Adventures of Handly

Did I ever tell you about my adventures with the Havasui tribe in the southwest USA? I was traveling looking to find myself. I met Wild Eagle a tribal leader of the Havasui. He suggested to find inner peace I need to have a vision quest. We took copious amounts of Peyote and our journey began. I was walking through the tribal burial grounds at midnight. I heard the sounds of rustling leaves and small sticks breaking which heightened my sense of fear. A voice, very faint then getter louder kept on repeating "lift your arm to increase your vibrato". I was confused by this message in my altered state. As the apparition came into view, I realized it was the spirit of Arthur Fiedler, the late conductor of the Boston Pops. I asked what he meant by his message? He looked at me carefully up and down and said, "aren't you Marshall Handee, the third Bassoonist of the Pops?". I corrected him "I'm Handly, the counselor." Arthur was apologetic on his error, but did ask if I had any more Peyote? We spent the rest of the evening debating was a better successor to him Seiji Ozawa, or Keith Lockhart? As dawn's first light came, he said he had to go back to the Hatch Shell electrical box, where he has resided for the past 40 years. My vision quest was truthful and complete. Until our next adventure.

Stuck for what to be for Halloween?

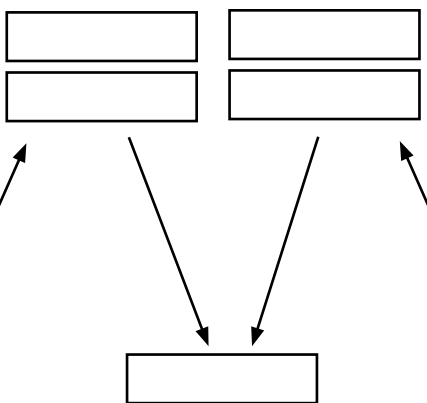

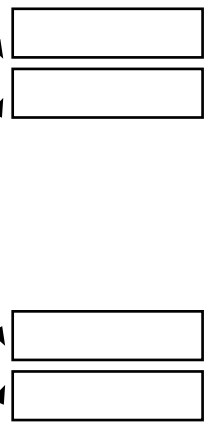

Stuck for Halloween costume ideas this year? There are so many choices if you are truly creative. You could be a COVID strain or a person in a bubble. You could be a killer bee eating the heads off of formerly dangerous Wasps. You could be a fly on Mike Pence's head! Or you can choose from our picture gallery for ideas. You could be rat fink racers from the 70's at right. We left out the real racist ones. You could do Honey I shrunk the Kids as the Jones household is doing. Or you could even be faux products from the house of crud and seemingly from the mind of Alfred E. Newman. Just have fun, be safe. Happy Halloween folks. Nothing scarier than the world right now. Maybe an Alien invasion would mellow us all out.
