District is very proud of our club! Theme this year is Rotary Opens Opportunities. Providing opportunities during COVID times will be different, but not impossible. Zoom has made meetings a bit easier! Recommends making our meetings hybrid so everyone has the opportunity to join when we start going back in person. Learn from the young people! Interact, Rotaract. Touch base with them and learn how they are engaging people during COVID.

First female Rotary International President - for 2022-2023 - Jennifer Jones!

We can get grants for projects that relate around the environment.

Africa is finally free of the wild polio virus. We've raised almost \$3 Million to help with this effort!

Invitation to attend the Fall Forum - next week (or this week, depending on when you receive the Sprocket). Three topics will be covered: Transitions during COVID, Membership, and Foundation. Anyone can join! October 7th.

Diversity, Equity, and Inclusion Committee - working hard on a program they will be introducing in the district. If we participate, we can get a Governor Citation. There are lots of opportunities to get involved and go to meetings!

Brother can you spare a shirt?

You may be thinking, Hey where can I get a snazzy work shirt in Rotary Blue and Yellow? Does it come with flop sweat and dirt? Are masks optional? If you want to look swell at a Rotary service project you need to look the part. Well glad you asked about those shirts, if you need a shirt please let Moiph know and he can order them for you. Comes in women's and men's sizes and cuts. They tend to run small, and shrink so please go larger with your choice you won't regret it. We need to get about 20 shirts to make it a decent order. So stock up now before the Christmas rush. Call 1-800-ROT-ARY! or email moiph@comcast today!

100th Year for Beverly Rotary

If you have any ideas of how we can celebrate our 100th year on this earth. At this point anything is fine. Send your idea to either Moiph or Jackie and we'll throw it in the hopper for further though. We are the largest club in our district, let's set the bar high for how to social distance ideas or anything else if we can.

Worldwide Adventures of Handy

While segment dog sledding on the Iditarod trail I came across a small Inuit village in Forget - Saskatchewan. Much to my surprise I was greeted as a higher being. It's then I noticed that I was a dead ringer at the top of the totem pole. Legend has it the great spirit Wanitoba would arrive on a team of canines to bring health and prosperity to the tribe. I couldn't refuse their hospitality so I stayed for the summer and the tribe did thrive. First they had a bumper crop of kale and whale blubber harvest. I was able to teach the young ones the finer points of law practice in primitive conditions. And most importantly they were granted a license to open a casino named Wanitoba Handy Slots in my honor. In the first few months they made a windfall of profit on standard card games and tables. So much so the tribe sold all their belongings and moved to the paradise of Tahiti, where they never had to endure cold weather again. They do import crates of whale blubber as a tropical snack unseen in these parts. I think of them often when I put a pinch of blubber between my cheek and gum and taste the salty brine. Until our next adventure.
