GOLF EVENT THRILLS!!!

Now President Marshall, what you want to do is go to your happy place and focus on the joint golf event with GBCC on Tuesday the 18th. Splitting the pool of dough will help our club and help you forget COVID, Killer Bees, Sharks, EEE Mosquitos, Election rhetoric and Heat Waves. Focus on the game my friend...

Thanks Chubbs, but I'm watching Stanley Cup Hockey and Bruins won first game in 20T. GO B'S!! Oh yeah Golf next week for those who like the links.

Red Cross Blood Drive

Normally we would be asking for volunteers to give blood this Friday from 1-6pm at the First Baptist Church, but guess what? We're all booked up with donors. Thanks to everyone giving blood and be sure to snag some treats on way out to replenish system for important nutrients. Plus you like snacks anyway.

Pay for lunch, happy dollars, or just a good old donation. Keep the dream alive

Sergeant

Thad was also the Sergeant who did an interesting look at a few Rotarians homes including Dianne Palter Gil and Bill Beckman. There was a Bass in the Grass Smackdown between Brian Murphy's Bass and Thad's Bass. The Bass's were created for an upcoming Beverly Main Streets Event on the weekend of August 15th.

Speaker

Thad was cut short to give Speaker Casey Soward the opportunity to speak to the club.

Casey Soward, Executive director of The Cabot spoke about the continued renovation and restoration of The Cabot. He also reflected on the similarities between the opening of the Cabot 100 years ago was just after the 1918 Spanish flu and the opening of theaters 100 years ago was a way to bring people together. The Cabot is also being creative in having live events at the Hale Farm which will be featuring artists, Tom Rush from Rockport, Livingston Taylor and his wife will be performing on August 21st. They miss seeing everyone at The Cabot he really appreciates the community's support during this challenging time. They are looking into other creative ways with online streaming of movies.

Last Weeks Speaker

Casey Soward came and spoke to us about what the Cabot's doing. One is a concert series at Hale Farm on Friday's. Plus fixing the inside of the theatre while crowds are kept away. Good news they still make excellent popcorn for home or office consumption. Did you know the Cabot will be 100 this year? Now you do.

Thad waxed poetic on all things architecture pointing out flaws in structures and benefits in others. Eric was riveted and took a quick snooze.

Worldwide Adventures of Handly

Spelunking in Mammoth Caves, Kentucky, when the tour guide waxed on about the legend of "Union James" who has lived in these caves allegedly since the Civil War. Just then a faint "psst" caught my attention from a small anti-chamber. I broke off from the group and entered to meet a well dressed man who asked is the "Union Safe"? He repeated it a few times with vigor, and trying not to agitate him, I replied "Indeed the Union is safe". He was overcome with joy and I shared my Zagnut bar to help fortify him. Casually asking him if he was indeed the Union James from the Civil War? He retorted with an emphatic NO, he has only been living here since 1975. He also corrected me that the tour guides made up that story for tourists. The "Union" actually refers to trade and trucking unions. I deduced this was none other than Jimmy Hoffa the missing Trade Union leader. I joined the tour group swearing not to tell his whereabouts until 2020. Until our next adventure - *Handly*
