# A LOCK FOR YOUR THOUGHTS

What Abe said

7 Score and 15 years ago our country faced a tremendous struggle. Fellow citizens it was only a few days ago a lock of my hair went for \$88K (\$690K in 1865 dollars). I suggest as a unifier in our great nation President Marshall do the same and cut off a lock of his hair for auction. As your 16th President this could be a time honored tradition to continue into the 21st century whatever that is. What's that Mr Stanton? Mr Handy IS NOT president of these United States. Rotary Club?, what by jahosephat is that? Started in 1905? I was dead for 40 years at that point. Alright, alright Mary stop yelling from the other room, man that woman is driving me crazy. Forget the whole thing giving me a headache, Abe over and out...

Pay for lunch, happy dollars, or just a good old donation. Keep the dream alive

## 100th Year for Beverly Rotary

If you have any ideas of how we can celebrate our 100th year on this earth. At this point anything is fine. Send your idea to either Moiph or Jackie and we'll throw it in the hopper for further though. We are the largest club in our district, lets set the bar high for how to social distance ideas or anything else if we can.

## Bass in Grass ends tomorrow at 6pm

## Worldwide Adventures of Handly

Well, hello there. I'm up here, hovering above Winter Street. Yes, "hovering". I'm waiting for my appointed disbursement of library books on hold and thought I would take the old Triphibian Atomocar out for a spin. You know me, like Toad of Toad Hall, I've never met a combination of wheels and speed that I could resist. Turns my eyeballs into pinwheels. Tour my garage sometime: motorcycles, side cars, roadsters, hatchbacks but nothing floats my boat (Gawk! See what I did there?) like my trusty land-sea-and-air atomic- powered coupe de swelle. Of course, I've always been an aficionado of words in print too. While still in knee pants, I was enthralled by the Hardy Boys, Boy Detectives; Tom Swift, Boy Inventor; and my personal favorites, the Muscovitz Brothers LLC, Boy Lawyers. Nobody could unravel a libel case like those scamps. And speaking of slander, don't let anyone mislead you: the idea for the Triphibeian Atomocar is mine. Remember possession is nine-tenth of the law. Damn you, Victor Appleton III! Gawk! Until our next adventure

## What's black and White and Read all over? The Newspaper

Bill Scanlon always on top of world events and political trends left or right was witnessed reading what we assume was the Wall Street Journal for the latest information and objective journalism. By the look on his face, that Dagwood is in a real jam with Blondie again!!

## Last Week's Speaker

Laura Swanson, Enterprise Center at Salem State Executive director, spoke to our club via Zoom last week from a low angled monitor. If you didn't know The Enterprise Center is a tremendous resource for business in all categories. Still fluid in how they are proceeding in COVID with online classes and virtual classrooms. Check them out they do good work.
