SHARKS IN GLOUCESTER!!

As you know, Beverly means peace and tranquility. You won't find any nasty sharks on our shores or even in our fine restaurants. So you can see our beaches are open and the weather is great. If I have to I'll go out and hunt the fish (as bottom picture shows) and crush it like a cold frosty 'Gansett. Only a few weeks left in summer go out and swim and frolic - no sharks in cocktail cove, or even the farms!

Pay for lunch, happy dollars, or just a good old donation. Keep the dream alive

Last weeks news, Thursday Aug 13th

Meeting was called to order by President Marshall Handy at 12:20 (due to technical difficulties).

Pledge of Allegiance was led by Anna Langstaff, followed by Freddie Doeringer playing Kelly Clarkson's My Country Tis of Thee and an invocation led by Julie Flowers.

"Happy Birthday" was sung for
Matt Piaker 8/15
Curtis Cogliano 8/18,
Scott Dougherty 8/19

The following were guests of the Beverly Rotary club:

David Deutsch from Marblehead/ the district

Announcements:

Matt and Mike Jones had announcements regarding the golf tournament

Walt announced that Bev TV will be taping the second Rotary TV show on Sept. 1 Starring the Harringtons with Pres. Marshall as the special guest

Bass in the grass Saturday and Sunday 11-5. Featuring dozens of decorated fish cutouts - a couple actually from artists other than Brian Murphy

Sergeant-at-Arms - Derek Maxfield

Happy dollars and announcements:

Happy \$100 from Peter Hersee who was heading up to StoryLand - indicating that the 100th trip there is the one to look forward to.

Ken Krall experienced the first of the 2 best days of his life - he bought a boat.

Moiph love-fest

His Bass were featured in the Salem News and Boston Globe

He painted the Barriers at the Indo Pub

Sue Gabriel recognized his art on the new Bootstraps food truck

Matt has a Moiph original on his wall

Anna gave him even more kudos
Jonezy gave grumpy bucks for having a fried (but not battered) pool pump
Scott Dougherty had a happy round of golf with Tom Chatelier

Derek went on to equally infuriate all members who have a political opinion.

This Week's Guest Speaker was Rachel Hand who gave her classification speech.

Rachel used the last 4 months of the shutdown to prepare her speech and presentation. We learned about her childhood growing up in New Hampshire with 2 brothers and 2 sisters and about her being home-schooled.

We learned about her extensive travel abroad and internationally and about the service projects throughout college at Stonehill that shaped her experience and ultimately brought her to her career choice.

She spent a lot of time volunteering for My Brother's Keeper - an organization on the South Shore dedicated to helping economically disadvantaged individuals and families. Her volunteering eventually led to a job starting the organization's new location in Dartmouth, MA. and, of course, to her present position as Director of Family Promise in Beverly.

Rachel was an art major in college and she is now planning "peanut butter fish" for next year's Bass in the Grass showing. She sings, has cats and enjoys robust political debate (and was thoroughly insulted by Derek's sergeant routine)

Meeting Adjourned at 1:15

Respectfully Submitted,

Nick Biancucci

Sprocketeer.

Eastern Bank

Last Weeks Speaker

Who knew Rachel was Italian based on all the "Hand" movement. We had a nice glimpse into her life so far and its been pretty good up until this point. We are blessed to have her in our club and being the Captain of Family Promise. Yes join the many who have said they never expected to be in a Rotary Club and enjoy it.

Rotary/GBCC Golf

A beautiful summer day was on the docket for the Rotary/GBCC joint golf tourney. In most cases social distance was kept, looking for balls off the fairway and in the pond fringes. Golfers gathered around the clubhouse to chow on burgers and other treats to fortify their depleted system. great job Rotary & GBCC!

100th Year for Beverly Rotary

If you can stay after regular zoom meeting this week, we are looking for ideas of how we can celebrate our 100th year on this earth. At this point anything is fine. If you can't make it send your idea to either Moiph or Jackie and we'll throw it in the hopper for further thought

Worldwide Adventures of Handly

Pleasure boating off Noman's Island as a youth, I fell off the boat, and being unable to swim at that time was facing sure doom. Suddenly a sea creature of great beauty took my hand and brought me to the surface. Year's later as a young man while scuba diving in Nantucket Sound I had a fatal equipment malfunction and thought again doom was descending on my life. To my surprise this sea creature again appeared and rescued me to the surface. This time I could see she was a beautiful Mermaid. I was surprised she could speak, and she told me she speaks several hundred languages from rescuing mariners over the years. I fell in love with her at that instant (never mind she was topless, her mind was fabulous!). I asked her name and she said I couldn't pronounce it but I could call her Carla, which means woman of strength. Asking her father Neptune for her hand, she transformed to a human form woman so we could be wed. The movie *Splash* was based on our romance and wedding. I love the sea and its creatures. Until our next adventure -
