New Member Allison Babin

As much as we tried we couldn't get a great picture of our first ever COVID time member, Allison Babin, new director of Beverly Library. We will try to get a better picture of her in the future. Plus get you more details on this fascinating woman. In the meantime enjoy one of our favorite book covers.

Pay for lunch, happy dollars, or just a good old donation. Keep the dream alive

Last weeks news, Thursday Aug 27th

Meeting was called to order by Marshall Handly at 12:15.

Pledge of Allegiance was led by Elizabeth Macomber, followed by Freddi leading us in song (Happy Days are Here Again) and an invocation led by Neiland Douglas was missing, so Jack Good delivered it instead.

"Happy Birthday" was sung for Jo Broderick (Aug 28)

The following were guests of the Beverly Rotary club:
Allison Babin

Guests of Club
Anna's grandson, Dylan

Announcements:
Jackie Rapisardi: Update on Doug Peterson
New member: Allison Babin - welcome!

Sergeant-at-Arms Bob Murphy
He has been visiting Rotarians this past week and would like to share his adventures and rediscover they actually have legs.

Andrew DeFranza - looks like he has been in the road company of Streetcar Named Desire (awesome hat!)

Bob shared the screen to deliver the rest of his comments but encountered technical difficulties at first:

- Missing a greeter, so Peter Hersee opened his own door (on mute!)
- Sarah MacBurnie Liporto - she misses everyone and can't take this anymore!
- Freddi Derringer - Good morning everyone
- Gil - at Brooksby Village (aka Fort Knox) and happy as a clam; it was like going to college; there is a theater group waiting for Bob Murphy's arrival
- Lee Yaffa - impersonation of a mime
- Jack Good - snippy that he didn't get his Rotary book in time - Mark Brislin delivered it to him
- Curtis - very happy to receive the book on behalf of Dylan and hopes everyone is staying healthy
- Ran into Rachel Hand - early voting is super easy

Happy dollars and announcements:
• Anyone who is so moved by a Rotar-

ian they have seen lately, one who has been of assistance lately, feel free to contribute

- Dave Olson - for Anna and Allison - 13 books on hold at the library and thank them for working so hard to get the books out
- Jo Broderick - will be starting a project on her house with SV Design
- Thad Siemasko - will make a contribution in her name
- Irving Berlin - Halloween costume is ready (Al Temkin)
- Mike Jones - daughter's 6th birthday

Guest Speaker / Program:
(Organization, bio, subject, comments)

- Induction of Allison Babin, our new member; Marshall Handly is her sponsor
- Sarah ML - first virtual induction on Zoom!
- She is the Director of Bev Public Library; previously, she was Assistant Director and has brought the library into the digital age; point person on Teen Room; instrumental in keeping it engaged and relevant during the pandemic; grew up in CT, attended Univ of Pittsburgh; loves to read, cook, and travel to national parks
- Allison is excited to be here and to get to know everyone
- She will have \$250 to engage in a community service project, so we look forward to hearing what she would like to do
- Jackie will deliver the materials to her at the library, and she still has 10 books for the theme room and will bring those with her

Question: when is the date of the next tournament? - Again, collaborating with GBCC - morning of September 21st, so an email will go out with information; golfers are \$125; contact Mike Jones with any questions

Lee Yaffa - got 3 phone calls that were important, but he understands there was an impostor on the video Bob Murphy showed and is here to dispel that rumor

Meeting Adjourned:
12:44 PM (the first time); 12:46 (the real adjournment)

Styling in style on the links

DON'T Adjust that newsletter, you are seeing double. Our first joint golf outing with GBCC was sooo good we're doing another one on September 21. This will be more low key without the hustle of shaking you down for money. This is more pure golfing joy, balloon animals and donkey rides. So get out your favorite golf hat, buff up those clubs and prepare they self for more fun than you can imagine. As before all proceeds will be split between our kissing cousin's over at GBCC and us. Benefit is that we BOTH make dough and we get to see (at a social distance) our friends at GBCC. Sent you an email with info.

100th Year for Beverly Rotary

If you have any ideas of how we can celebrate our 100th year on this earth. At this point anything is fine. Send your idea to either Moiph or Jackie and we'll throw it in the hopper for further though. We are the largest club in our district, lets set the bar high for how to social distance ideas or anything else if we can.

Worldwide Adventures of Handly

Back in my salad days, I was trekking through England and came across the town of Gloucester the name source of our own lovely city on Cape Ann. I came to rest at a place called Cooper's Hill. In the morning a throng of people were gathered to chase a 8 pound wheel of cheese down the hill. Feeling peckish I joined in the festivities. Unlike the locals who seemed to run straight down, tumbling and falling with great pain, I chose a different method where I side stepped and jumped, hopped to great effect (this would come in handy later during skiing trips) I was able to beat the locals at their own game and be the first to reach and win the prized congestable. I was awarded a Knight's Cross being the first Yank to win the coveted cheese, and also able to fill my belly and thwart my hunger. To this day I can't go to Cape Ann and not think of the pleasant scent of cheese that I recall from my long ago cheese grab down Cooper's Hill. Until our next adventure
