APRIL 28th

Hey Ben Affleck at Dunkies,
how about you saving the date
above, for our big fundraiser.

This will be our big event of Jonesy's year so don't blow it off! Plus Swifties at Starbucks.

It's time to start thinking about how you will contribute to our big fundraiser in April. Will you come to the event? Will you make a donation to our auction? We would love to have a big crowd there. More info will definitely follow.

Speaker

Derek Maxwell - Resolutions

Derek typically creates 5 resolutions for
the year and creates SMART goals
related to them:

Specific - add detail to it so it is clear and
not generic

Measurable - can measure the outcome

Attainable/Achievable - it needs to be
something you can realistically
achieve

Relevant - something that will affect your life

Timetable - it has an end date

For example, Derek set a goal to read
more, but made it more specific to read 10
novels in one year, and he has read 25
books in the last 2 years. He also set a
goal to listen to 75 unique albums he nor-
mally wouldn't listen to, and he ended
up with 100 albums.

Derek also recommends "pick one thing"
so you don't take on too much. Record
your goals and pick one thing.
