### Speakers

New Information talks by two new members

### NICK PIROTTA

He is a Beverly resident and attend the following schools, McKay School, Memorial Middle, BHS . At BHS he played soccer basement and football until he was recruited by Super sub and quit sports to work. Nick attended UMASS in Lowell for engineering but it didn't work out so he left and attended North Shore Community College for Criminal Justice. After he finished he decided he didn't want to be a cop because he was too soft! This worked well for him because he went to Westfield State and met his wife.... After college he was an Appliance Salesman for 2-3 years and moved back to the Boston area. He then went back to school to be a paralegal and possible lawyer. Instead of legal work he joined State Street Bank and then they were acquired shortly afterwards. Nick didn't like that job so he apprenticed as an Electrician for a

year... Then for some reason he went back into the finance world and is it MFS investments. He does a lot of volunteer work, he lived near Shawn and saw how he went to lunch a lot and it seemed like joining Rotary was a good idea. Thanked Shawn for months for free lunches. So far he has liked it!

Nick's resume is multiple pages...

### PAUL GUANCI

Paul is also a Beverly Resident, Owner of and Operator of Super Sub Paul advised us that he runs a dysfunctional second generation sub shop, that has been operating since 1970. He is a 1982 graduate from Austin Prep in Reading, he lives on Cross lane, has three kids: Anna 27, Noah a BHS senior, Julia sophomore at BHS. " He had a practice marriage in 20's"...everyone laughed... Paul attended St A's College in New Hampshire.... At his party his Mother warned him that your father is going ask to help work with him and

she said to say "NO" . So Paul is a lifer at the Business.... He remembers being with his mom and siblings, (ages 12,10,8 and 2) as they watch his dad kicked through rubble to find anything off value. ( this should be an insurance commercial) His dad went to Beverly Bank, and got a Loan from a legend in town called Larry Smith, 5 months later they were back in business. In 1999 he watch Bill Scanlon saved city, which he was inspired and decided to run for city council in 2000. He served on city council for 20 years.

When drawing I never stay inside the lines letting the negative and positive space explode in a rainbow of color. Others when driving also refuse to stay in the lines. Hey you get extra space and YOU STILL CAN navigate the space! Tsk, tsk, tsk - Question 4
