Prepare thy selves for the most magical, momentous event of the year. (Sorry Barry Goudreau this takes the cake). May 22nd mark the calenders. Working out details on either lunch or dinner. In addition to Miller Light ship, great swag like pictures above will be available. Re-gifting is encouraged. Contact the Brian twins, DaPice or Moiph and start getting items in to raise some moolah.

**Artsfest Coming**  
Also coming soon is Artsfest, Beverly ode to street fun and art. On June 14th, we will have our tent with kids decorating T-Shirts, which mostly have replaced ties for fathers day. Will need volunteers to set up, hang with kids and break down. Whisper to Nathan or Moiph, yes I'll help

**Sick of Emails?**  
Coming sooner than later, you'll be getting emails about your info in Roster book. Best way to keep volume down is answer fist email from Moiph. Saves you time and saves Moiph time. Just suggesting you don't sit on arse when asked.

In Rome the faithful await white not black smoke? Me I just like to smoke myself...

**HAPPY EARTH DAY**

Why do they call me Mudder? Isn't a Mudder a horse that runs well in wet conditions, or a clam with no meat just mud? What? Mother...oh they call me Mother... that makes more sense I guess

You know there's a floating island of garbage the size of this newsletter called garbage

## Last Weeks Speaker

Since no one had a phone to take a picture we were able to get an artists sketch of speaker Kevin O'Reilly from last week. To quote Jim Carrey in "The Mask", "You can't make the scene if you don't have the green". Well Kevin gave us all the reasons to make everything more green. The Irish would be very happy if mother Earth was even more green. Do your part and we may not implode in 15 years. Go Celtics
