Talk Like Your President

If you ever wanted to get on the good graces of your President, then you need to speak her lingo. We offer these tips to get you in the inner circle

SQUEET:
Let's Go Eat. Example: "Squeet. It's lunch time."

BEGAWK!

The time has come for one of my kin to be selected as your north of Forty feedbag. I on the Atkins Diet so I'm lean and bad tasting but you may enjoy my cousin Mort who is quite plump at tis time. Even though I will lose a relative I will feel comforted that the money raised will go to Well boring and help people in Kenya enjoy clean water and a higher quality of life. That's more than I can say for me who clucks around all day picking at scraps on the ground... BEGAWK!

Friends Forever

The fab kids of FF who came to visit us last week. Don't know who is who but you can read their names in the notes on inside. What a great group of kids and we wish them the best of luck in their future in pursuit of peace and safety.

If Freddi and Diane DON'T sing Grand Old Flag. I'll go berserk!

Friends Forever

Martin Kelly spoke loud and proud about running this trip for Friends Forever. A brief chat with him prior to meeting we came away with a man of great humor, great conviction and compassion for their mission. Martin is pictured below. He and Jed accept the mug of happiness from 1st VP Matt Piaker who was filling in for missing Prez.

to build trust and understanding through working on service projects, meeting with community groups such as Rotary and public speaking. Two students, Hannah McComb and Lewis McFadden spoke and answered questions. They did an excellent job and were warmly received.
