ROTARY:
MAKING A
DIFFERENCE

SPRINGTIME IS HERE! PERFECT PITCH IS HERE!

THEN WHAT THE HE-DOUBLE HOCKEY STICKS IS WITH THE SNOW?

Springtime in Beverly, flowers starting to bloom and then it snows,
Warm weather a few weeks ago gives way again to cold toes,
Our big fundraiser for the year at the end of this week,
With snow totals unknown, Mike Harrington is about to shriek,
Hoping for an event so big, so huge it goes off the charts
Unfortunately weather is unpredictable around these bucolic parts,
Spring will come, make no mistake, sunny days that will glow,
Support your local Rotary, no matter the weather we'll raise piles of dough.

Talk Like Your President

If you ever wanted to get on the good graces of your President, then you need to speak her lingo. We offer these tips to get you in the inner circle

BOSS: Transportation for a lot of people.
Example: "Due to yesterday's blizzard, the school boss was late." Plural is "bosses".
Example: "All da bosses are needin' new teers."

North Shore Perfect Pitch, Friday

Our big fund raiser is coming up tomorrow. Hopefully you bought some tickets, placed an ad or donated something that will bring scads of cash. Just a reminder its on March 23, word is dress to impress which means wear something ladies can get catty about, and men may spill their drinks. Anyway its tomorrow, lets all have a Yabba, dabba doo time - Fred Flintstone

Counter clockwise from top: President maureen with Danvers Prez Bill Nolan, he got a mug, what did we get?, larry and Judy DeLorenzo telling reporter open bar starts at 1:45 when everyone leaves, Don Kelley with green bowler and Irish wit and prose. GIGANTIC dome bell of Danvers club then our puny bell ringing bell. Why does Danvers have such a big bell? Is it a freudian slip for inadequacy or do they like the sound of big bells clanging in their ears. Either we get a bigger bell or perhaps go with a duck call to distinguish us for the also rans. Please discuss at your tables.

Photo Prize Corner

Just to let you know what's going on in these photos. At top ADG Kang auditioning for Odd Job in remake of Goldfinger or perhaps just looks good in green bowler. Freddi with glowing necklace that you can't see in black and white, but it did glow up nicely, Brandon doing his best Lee Yaffa impression with floppy hat in emerald green(fish hooks sold separately), Nick seemingly thinking "why would a respected financial advisor wear colorful green socks?"We think just to spruce you up a bit from grey/black drab.
