## ENDICOTT ROAD TRIP FOLKLORE

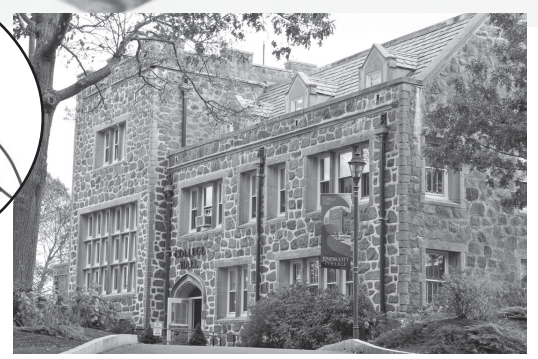

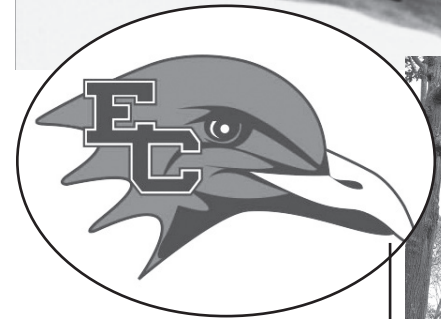

Did you ever think you'd see an Gull get a Masters?

Well, I've seen a Gull play Lacrosse!

Ah, I've seen a Gull go to the beach!

I've seen a Gull throw a blowout party near downtown!

I've seen all that, too! I seen a peanut stand, and heard a rubber band! I seen a needle that winked its eye! But I be done seen about everything when I see Gull hosting a Rotary lunch!

At left is the bright and mysterious world of Doc Wylie, who's office is located in these hallowed halls of Endicott. Part educational mecca, part Hogwarts house of secrets. part house of fun. Come by and watch Doc perform his magic on a daily basis. You will be amazed by his powers of persuasion with your mind!

Hi folks I used to be a "Power" Gull, now I'm just a plain Gull be very successful. You'll find my devoted followers all around town, typically driving cars with Connecticut and New Jersey license plates. No driver ed at Endicott so thats why were bad drivers.

And the Raven, never flitting, still is sitting, still is sitting On the pallid bust of Pallas just above Doc Wylie's door; And his eyes have all the seeming of a demon's that is dreaming, The club in a roadtrip, enjoying the hospitality thinks they have a really good score; But the club gets too rowdy and damages the floor Another Endicott lunch—nevermore!

## Talk Like Your President

If you ever wanted to get on the good graces of your President, then you need to speak her lingo. We offer these tips to get you in the inner circle

### DOUBLE-OUT:

To work two shifts (in the mines) in a row. Example: "Dear, don't expect me for supper. I'm gonna double-out because Fred called in sick."

### Last weeks speakers

Gary Simmerman spoke last week about his organization Citizen Soldier, which helps National Guard members, transition and succeed in civilian life. An important service for our men in women in uniform. Here with the honorary Rotary mug with President Maureen. Gary can be reached at 781-999-4267 or gsimmerman@afsc.com if you need more infomation.

### Paul Harris x2

Sir John Shuka, former normally a wall flower was awarded a Paul Harris Fellow for the second time in his illustrious career. Not only has he been a great Rotarian his donations to the foundation are legendary. Always rocking the pink shirt and sporting a deep voice that can tame the most raucous field mice. His next adventure is to be the next great thing. Congrats John.

### Wayback Machine?

We were able to place a call to current President Maureen, back when she was a just a college coed. We notified her that in 2017-2018 she would be in charge of a motley crew of do gooders and wackos. Picture worth a 1000 words.

### Simon says Right

When all others look left our intrepid lawyer Brandon always looks right. Is it a condition we are unaware of or is he just the ying to everyones yang? If you look carefully you may see other Rotarians, not sure where they are looking. Plus the fact that Mr. Ruggieri is sans tie which actually humanizes him from the locked up serious lawyer he typically portrays in real life and television. Simon says look right.
