SINGING IN THE RAIN

Next Week - Mayor Cahill comes and tells about what's going on in Beverly

Chin Friction hit the big time as they played at Fenway Park for the ALS and Frates Family. They played their smash song "Raise a Glass" and based on beer sales it was a huge success. Rick and Bill were the Rotary reps. Security was looking for a few people in orange shirts who grabbed chunks of turf and caused over \$5,000 in damage to the hallowed grounds of Fenway.

Talk Like Your President

If you ever wanted to get on the good graces of your President, then you need to speak her lingo. We offer these tips to get you in the inner circle

CHECKSIE:
To go check up and see how something is. Example: "Go checksie the roast in the oven." Or, "I bet yer wife checksies where you really were."

Last weeks speakers

We had a whole bunch of students and a staff member, but we screwed up getting their names. What we did get was a fabulous presentation of the students who spoke about their experiences with the Endicott internship program. All of the speakers wowed the gathered with what they've done and their future plans. Dick Wylie is doing something right, which was obvious.

Softball Glory

May 1st we'll have an impromptu practice at Dix Field at 6pm. Lube up those arms, swing some bats, field some grounders and generally do something you haven't done in 9 months. New gloves will be issued by skipper Scott Dougherty. Post practice meeting at Onion for strategy and fellowship. Contact the skipper if you want to play or even if you don't want to play.

Rotary garden

Mother Nature at left is reminding us that we will be planting the Rotary garden (weather depending) on May 22nd a Tuesday, about 5pm, followed by a delightful post planting soiree. We still have to clean up old goo at intersection but that will happen soon enough. Let moiph know if you can help plant. No experience necessary just a willingness to plant and dig into mother earth. No cigars will be hurt during planting or post party. Peace-MN

Arbor Day Tree Planting

In related green news, we have a new tree planting event tomorrow and looking for more plantees The Arbor Day Tree Planting will be at 1:00 pm. We will be planting the Beverly Rotary TreFarm at the Essex County Greenbelt Donovan Reservation at 473 Sagamore Street in Hamilton. Bring tool sif you have them. If you can help please contact Rick Colino at rciolino@firstfinancialtrust.com

Speaker: Endicott Internship Program

Endicott's Internship Program offers two 120 hr/month long internship opportunities for Freshmen and Sophomore students and one 480 hr/semester long internship for Seniors that highlights experiential learning for students.

Four students were on the panel to discuss their experience with Endicott's Internship Program. Here are some highlights:

- Students wanted the experience of working in both small and large companies before hitting the market.
- Chose Endicott over other schools b/c of the internship program.
- Early year internship program helps to verify area of study for students or allows them time to change their field without wasted time and money.
- Full support from Endicott and staff around internship experience as well as debriefing during/after semester long internship.
- All four panel members have gained extensive experience that sets them up well for the future.

A few pics of last weeks lunch at Endicott. Yes that is a full squadron of desserts, The room we were in, Brain DApice as human flag, YES by gum that's the rare Bob Bradford in the food line, Almiris and Bill Howard (no relation to Diane) scooping up yummylicious food. A very nice lunch provided by the good folks at Endicott and especially Dick Wylie who is recovering from a fall and some injuries. Get well Dick we miss you.
