FLOWER POWER HOUR

NOTHING TO DO WITH REV. JULIE FLOWERS BUT WE LIKE HER TOO!

Oh fudge it's that pesky bee again, maybe he won't see me.

YOWZA! That's one sweet flower. I'm going in for a closer look!

Garden lovers, like a Tulip which grows, we enjoy and get a good sniff, then before you know it they are gone. Our current President Maureen is much like a flower we have enjoyed, but alas her hour in the spotlight grow near (7 weeks specifically). We love her fragrant petals, and her weekly trivia.

Talk Like Your President

If you ever wanted to get on the good graces of your President, then you need to speak her lingo. We offer these tips to get you in the inner circle

COMING WHID:

More of a question. Going along with us? Example: "I'm goin' to da mall. You comin' whid?"

Last Weeks Speaker Mayor Cahill

His Honor Mayor Cahill came and spoke to us about whats going on in Beverly and it sounds like the city is doing well. A few questions about future projects, and what's up with that references. Mayor now has a set of 4 mugs to complete his collection. His shirt was pressed and hair was well groomed., WHAT OUT Al Temkin, he's gunning for your title!. Ed Cahill can now return with a clean slate as Mayor paid up.

SAVE THE DATE Installation Dinner June 28th

You received email already and you know many will follow. If you save the date, pay up front you can cut down on email blabber. We will be inducting Matt Piaker and the incoming Board of Directors. Weather is always perfect and we will bid farewell to President Maureen(has it been a year?) Did we tell you open bar? Did we tell you lawn twister? Do the right thing, sign up today and beat the crowds.

Rotary Summit

A weekend of Fellowship or Camaraderie as the folks in Alma, Quebec say. Travis Roy was keynote speaker and was fabulous as he told his story of being paralyzed 11 seconds into his BU hockey career. How he has adapted and overcome to find new challenges. Also pictured Rinus from Salem Club who was swinging with Louise from Quebec. Big picture is new found friends north of the border who had a great time with us and language was a problem as we all spoke the language of cheer and "yes I'll have another lucky Pierre" Great time with vital sessions for learning.
