Hey, who is this kid?

Talk Like Your President

If you ever wanted to get on the good graces of your President, then you need to speak her lingo. We offer these tips to get you in the inner circle

YET: To continue in the same activity or location.
Example: "Joe's out fishin' yet." or "My wife keeps nagging me yet about last weekend."

SAVE THE DATE Installation Dinner June 28th

Deadline is today if you haven't made up your mind you will be bullied and shamed by unknown forces from the dark side. To save yourself see Mike Jones for forgiveness, or even John Shuka.

Bridezillas?

We think NOT! These lovely ladies Miranda, Dr Jamie and Sarah will make Thad, Bill and Tim much better men than they are now. Plus the fact that are all smiling broadly knowing they will be marrying these men show that they are special. Sorry bachelors it won't be raining women on your parade. Good luck ladies and gents.

Speakers

We've lost our minds and forgot to include our Alzheimer's speakers from two weeks ago Carey Ann Gallini, far left and near right Lisa Sobian spoke about the truths and myths about Alzheimer's and Dementia as a whole. Very moving and topical talk on a subject that effects many of us and our loved ones.

Exchange Students

Ralph Christian Pulido 2nd from left and Cameron Abell 2nd from right will be our outgoing exchange students for the coming year. Ralph is heading to Philippines and Cam is off to Belgium. We wish them best of luck. Hey isn't Ralph part of the Travelling Pulido Empire?

Ads for Sprocket Still available

have you ever wished that you could have an ad in the award winning Sprocket seen by at least 50-60 people every week, a newsletter so important so current that Savannah Guthrie said "Its the worst thing I ever read" , this is your chance to place an ad for the whole year. Money goes to one of the many important funds we do all year. See moiph he isn't doing anything right now. Call 1-800-mis-pell

**ROTARY:
MAKING A
DIFFERENCE**

2 WEEKS TO GO, LET'S PLAY

What are you planning to do #2 now that our free time is going to get expanded very soon? I'd like to play in the hallways and scare living people out of their wits!

Well #1 I was thinking of doing something we haven't done since we were school girls, tee hee, I was thinking how about having all the club members drink "kool aid" and do good things. I know they do it mostly already but I like the addition of "kool-aid" tee, hee
Red Rum, Red Rum, Red Rum....

"SHINING" examples of exceptional Beverly youts

Our 2018 class of Rotary Scholars from left: Chair Lori Cianculli, Ronan King (SJP), John Goodwin BHS), Acadia Caron(Landmark), Rosemarie Gotsch (BHS), Paul Ofesh (BHS) and President Maureen. As usual a tremendous collection of young women and men who are destined to do great things in their lives. Maybe even more exciting 3 of them mentioned maybe they'll come back and join the club. No thats what we call a Student Scholar. Let's hope we hear about their journey down the road and the difference we made to them.

Last week at the Beverly Rotary Club

Meeting Called to Order by President Maureen Trefry at 12:15

Curtis Cogliano lead the Pledge of Allegiance to kick off Scholarship Week

Everyone knew the words to the Star Spangled Banner, though not all could hit all of the notes.

We had lot of guests to cheer on our scholars

- Jennifer Farrin was a guest of Lori Cianciulli
- Ted Richard was a guest of Sue Osborne
- Heidi Ushakoff was a guest of Lex
- Julia Dubman was a guest of Lori
- Mark McMahan was a guest of President Maureen
- Suzanne Charochack, BHS Asst. Superintendent
- Betty Taylor, BHS Principal
- Katie Barnes Endicott Interim President
- Pam Droney, Endicott Assistant to the President

The following were our Scholars and their guests

- Acadia Caron from Landmark who was accompanied by her parents Jim and Karen Caron
- John Goodwin from BHS who was accompanied by his parents Paul and Suzanne
- Rosemarie Gotsch from BHS who was accompanied by her mother Maura
- Ronan King from St. John's Prep was accompanied by his parents Edward and Julia
- Paul Ofesh from BHS was accompanied by his father Kirk and his grandmother Rosemarie

Jack Good Led the invocation

Nobody knew that Prince was born in 1958

There were no Rotary birthdays this week! We evidently need more Geminis in the group.

Matt Piaker announced the upcoming raffle. The winner will choose either a trip to Italy, Fiji or the Masters. 200 \$100 tickets will be sold.

There was no Sargent this week to make more time to hear from our scholars

Scholars

Lori Cianciulli introduced the scholars and thanked those who helped review the applications and interview the applicants. Applicants were chosen based on their achievement, Co-curricular activities and service.

Acadia Caron is a Landmark Student. She was a 3-sport athlete, is very strong academically and found her artistic ability at Landmark. She will attend Endicott in the fall to learn about interior design

John Goodwin graduated in the to 10 of his Beverly High School class. He was a 3-sport athlete and was captain of the golf team. His volunteer experience centered around helping in youth sports. John is off to Babson to become a financial analyst.

Rosie Gotsch also graduated at the top of the BHS class of 2018. She too was a 3-sport athlete and volunteered with LifeBridge and with young athletes. Rosie is off to St. Lawrence University to Major in Education.

Ronin King graduated in the top 15 of his class at St. John's Prep. Ronin was active in Campus Ministry and Camp Sunshine and was President of the National Honor Society at SJP. He is off to Notre Dame with hopes of someday becoming an ambassador to a developing country. Ronin knew that DYC was serving hot dogs to the old people at Rotary and decided to take an EMT course just in case...

Paul Ofeish is another 3-sport student

Thursday June 7, 2018

athlete from BHS. He graduated in the top 15 of his class and was Captain of the Football and Wrestling teams. Paul is off to Rensselaer Polytech to become an aerospace engineer.

This was clearly a group of young men and women who have clearly earned what they have achieved and have very bright futures. We wish them all success.

Respectfully submitted
Nick Biancucci

Say Hello to my little NEW friend!

Jack Good was honored by the Salvation Army for his years of volunteering and help in their mission of hope. Typical of Jack he wanted to include the "teams" from Beverly Rotary and Immanuel Baptist Church, Ipswich. As Jack said it takes many to help and the club and his church have been with him all the way. If we were the kissing type we'd give him a wet juicy smooch. Perhaps we'll keep it to ourselves. We are intrigued by his award which bears a striking resemblance to Robert E. Lee or a Hiram Walker liquor decanter, either way it was great to be there and see our friend Jack be honored. In a coup of WTH we saw Tom Alexander AND Mayor Cahill in this very room. We know they exist but not as the myths they have created. President Maureen holds a plaque given in Jack's name to our club for continued service. Plaque bears a striking resemblance to the 2nd Smith Brother of cough suppression.

← This is only known space in North Shore that Jack hasn't touched, Cherish it. →
