I'LL SOLVE THE PUZZLE

Food Glorious Food, Helping out Bootstraps

Bob Murphy led the foodies as they shilled out in front of Market basket to gather food for Bootstraps . Many Rotarians volunteered and we only have photos of these on the left: Dylan, Dave, Anna, Tara and Sarah. Not sure how much food was gathered but more than thanksgiving dinner, you can bet your giblets on that. Thanks to all who helped and made this a success.

Talk Like Your President

If you ever wanted to get on the good graces of your President, then you need to speak her lingo. We offer these tips to get you in the inner circle

PRETNEAR: To be pretty close in distance or situation. Examples: "She pretnear drowned in da lake." or "This is pretnear da place I got my first kiss."

SAVE THE DATE Installation Dinner June 28th

Deadline is today if you haven't made up your mind you will be bullied and shamed by unknown forces from the dark side. To save yourself see Mike Jones for forgiveness, or even John Shuka. If you haven't signed up yet we may have to say you stink!

Speakers x 3 from around the world

We had a trip around the world last week as the Pulido (NOT IPPOLLITO) Empire of exchange students came and spoke to us about their travels and experiences. From left President Maureen, Mirabella Pulido, Cameron Abell (outgoing to Belgium), Andrea Pulido, Izzy Pulido and Dr Jamie, Queen of the exchange. Each of them spoke about travels and topped each other. Did you know in Poland they start each meeting with a shot of Vodka, then end with another? Production in Beverly may go down if we take on that trait. Very impressive we hope they come back often to tell us more. Yes we must do good these young woman are proof. Cam DON'T screw up. Error last week their brother is going to Taiwan.

New Member Corner

Another sucker joined the club last week, Brandon Campbell. We don't know enough about him yet to make sport of him but we will gather info. His wife was very nice. Welcome to the nut house, if you see him sign his book it is YOUR duty to make him feel welcome. He did show up at Artsfest to help clean up. Now thats good stuff.

Ads for Sprocket Still available

have you ever wished that you could have an ad in the award winning Sprocket seen by at least 50-60 people every week, a newsletter so important so current that Savannah Guthrie said "Its the worst thing I ever read" , this is your chance to place an ad for the whole year. Money goes to one of the many important funds we do all year. See moiph he isn't doing anything right now. Call 1-800-mis-pell

Artsfest Glory

Another year, another 300+ t-shirts handed out. As usual the Rotary tent (new design paid in part by district funds - SUCKERS) was a huge hit as hundreds of kids came by to tap into their inner artist and create fathers day gifts and other worn apparel. Thanks to Ellen Dunn for being point man WAIT that's sexist (Point person or point woman pick one) to lead the charge and start kids on a lifetime of drawing on shirts. Dr Gill always a huge hit with the kids snagged the chicken from Fruitpie the Magician and really made that bird squawk! Mark Brislin can't tell time and did two shifts instead of one, worked out okay since he had nothing to do anyway. Thanks to all the volunteers and Historic Beverly for the table and chairs. All good and another feather in the cap for Rotary. Smiles everyone, smiles it was glorious.

Winner, winner chicken dinner!!!

Tara is now the envy of small countries in Europe now that she has won the weekly raffle. We wish we had the squeal that seemed to come from her mouth as she saw the winning card. The rest of us back to the drawing board. What can you do with a \$1000? Well you can solve world peace in Lilliput or but a half second of Jeff Bezos' time, either way a good cause. Enjoy your money but watch out for new friends.
