ROTARY: MAKING A DIFFERENCE

A WHOLE NEW WORLD? AT LEAST FOR MATT PIAKER WHO IS TAKING THE HELM THIS WEEK!

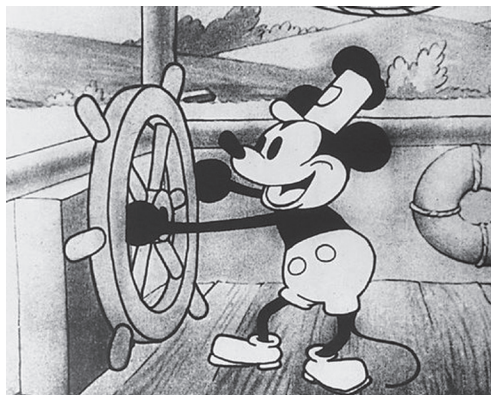

Matt, as Rotary Sultan I give you permission to run the club. The world is your oyster, just don't screw up.

Don't look at the sun directly baby, you'll go blind! Smashing Eclipse!

I'm not sure if dressing me as Jasmine is what I thought the 4 Way test is supposed to be?

Talk Like Your President

If you ever wanted to get on the good graces of your President, then you need to speak her lingo. We offer these tips to get you in the inner circle
IFA-GUYWAZTA: A hypothetical situation that replaces "If you" or "If someone."
Example: "Ifa-guywazta fish without a license, he could be in trouble"

Essex River Boat Cruise

Although we couldn't get that pioneer of boating Steamboat Willie (mostly because he is a cartoon) to Captain out boat trip on 8/24, we were able to land the next big thing, Larry Herman (Who some also think is a cartoon). A guided tour up the Essex River to see the sights and scenes of the Essex River Basin and more than likely a terrific sunset. Food nibbles and cash bar will be available. If you haven't let Jackie Rap know BY GUM get to it. We do have to submit a head count for official use only. Perhaps ocean going trivia with fabulous prizes and best bathing suit contest if any ones decides on taking a dip. Derek will personally guarantee no green heads as he will karate chop them into submission.

Meeting on the Deck

A change of ate but not location, we will have an evening meeting on 8/29 at Danversport Yacht Club. Its a Tuesday Night and our regular meeting on Thursday is cancelled for this week only. BBQ food, crisp fresh air and the music of Horizon and the Horns will make you want to get up and shake your booty. Medical staff will be standing by for too much shaking if needed. Always a nice change and at last gasp at holding onto summer. Plus you get to drink at a meeting which is a nice perk. very little business but lots of fun. We will have our personal space area in the upper deck so we can shower the little people with flowers or cash if you so desire. It promises to be a perfect night.

This space reserved for playoff dreams of Red Sox and Yankee Fans

(Sorry no space for Mets fans Will!)

Plus how about some peace, been a wacky week

Motif in Black and White

Coincidence or conspiracy? Many of the fine ladies in Rotary last week wore ensembles in shades of black or white. Now yes we realize this is a black and white publication, but take our word for it they are all adorned in the absence of color. By the way they all looked quite lovely as well. As a comparison we supply a sketch by MAD magazine of Whistlers mother also a black and white motif. She doesn't look so good.
