New Member Corner

Readers do not be alarmed Jack Good is not shrinking, its just that new member Dylan Jones is on the tall side. Dylan is part of the Peoples United family, and is a master of cheese fries. Welcome our newest member he doesn't bite, and this is his second rodeo at Rotary. And for those of you who thought Jack shrunk, please get Dr Gil in for a comparison and you'll realize it all depends where you stand on how tall you look. Hey 4 new members today good GOD! we are growing.

We will continue to run photos of Maureen while we sort through the thousands, hundreds, dozens, okay NO queries on placing an ad. Come on folks it's the next best thing since sliced bread. See Moiph for details

Sprocket Ad Space Available

Did you know the sprocket reaches over 50 plus people a week (mostly the lunch goers!), Did you know it has earned numerous accolades including The Rotary Brown Noser Citation, Honorary Degree of Humanities from Sisters of Mercy Convent and most importantly the Dave Olson Award for weak Journalism (small format) The ad only costs \$125 for the whole year. Where else can you get all the news of the club on a weekly basis, and usually a bit more from the editorial department. Things such as outrageous Presidential situations, heckling of District events and general mayhem. Since Maureen hasn't found anyone to take over the position it is up to me to continue our award winning stream of conscious news reporting

If you can let me know asap if you like to put an ad in the award winning Sprocket newsletter. We can even help with an ad no charge if needed.

Money raised from advertising typically goes into the general fund, which you know always goes to something good.
