ADVICE  
**PHARMA BILL**

Dear Pharma Bill,  
Now we are finally into 2017 after almost a year since 2015, I was wondering if a suave sophisticate like you has any New years Resolutions? Mine is to talk to the animals like Dr. Dolittle, do you know him? - Scratchy on Sohier Road

Dear Scratchy,  
You are correct in that I am a suave and debonair man about town. I do know the good Dr. Dolittle, we have bridge night with his push me pull you llama and a sarcastic lemer named Rupert. As to New Years resolutions, I have to be honest and never put much thought into them. The start of a new year is a beginning yes, but I don't think it's a mark in time to start a resolution that more than likely will be broken before February. As for myself, I try to keep a steady ship, make custom medicine take care of my honey, ride with my top down and if I'm lucky, teach English as a second language to feral goats. Looking forward to a great 2017 I wish the best to you, say hi to your wife itchy. Diddly - doo, Dr Bill

**Last Speaker**

Leighton O'Connor spoke to us about his mission trips to Kenya and Tanzania for the Calvary Church. Rotary helped fund these efforts and did you know Leighton bought a cow for us to help nourish the village. If you ever find yourself in that part of the world say hello, tell them Elsie sent ya! Have a milk!

**Waitstaff Thanks**

President Bill handed over some Holiday Cheer to our famous waitstaff. Each week these lovely ladies greet us with a wide smile and friendly exceptional service. It is the least we can do to that them for their year round service and dedication to our club. The ladies were very appreciative to the thanks and gave hugs to President Bill which for some odd reason the photographs were all weird and blurry. Anyway you get it, two arms around a mid section or shoulder and squeeze. If you aren't sure Dr Jamie would be glad to demonstrate, sans hanky panky. Thanks ladies you make this club happy every week.

**Speaker:** Leighton O'Connor from Calvary Christian Church

Spoke about his missions trip, helping to create wells in Kenya and Tanzania. Wells costs up to \$22K from start to finish, but is the only source of clean water for a village.

Beverly Rotary funds helped purchase a cow for milk, etc

There are children centers for education, etc. Also, new proposed site for 2 orphanages, village and crops.

Orphanages can be up to 50 kids per site, but the need is so much greater and there are scammers that will take donations, but not provide for the kids.

New Mission in 2017 to Guatemala to work on refurbishing an elementary school.

Welcome to 2017 thank you very much. We have a glorious spectacular fundraiser coming up on April 21. More details to come from my little baby Lisa Marie. It will be better than a Peanut Butter and Banana sandwich.

They call me the king, or deceased you make the choice.
