North of Forty 9th Premiere TODAY!

Alright I get it, in terms of beauty, I'm a triple bagger, but in my defense if you like the taste of a vegetable fed, free range bird I'm mighty tasty. That's more than I can say for some of you humans.

I dread this time of year many of my friends and relatives are eaten en mass for the weakest of reasons, your Pilgrim forefathers couldn't cook up a nice steak. Well that brings us to this years video. Again Auteur Bob Murphy has brought to the screen a film of such stunning detail and imagery, it has been called the Citizen Kane of Turkey raffles. With that said just roll reel one and see what I mean.

If you can please have a steak this Thanksgiving. - Tom T.

WITNESS
the nerve shattering Trivia of the Week!

SEE
the Woman Eater ensnare the Lady Presidents of two districts!

GASP
as its hideous arms devour ladies, despite being Paul Harris Fellows!

It came from a place so evil, so primitive, so grotesque, they wouldn't allow women in the club! The stinking 80's!

The Rotary Woman Eater

starring maureen trefry • paul (first gent) trefry and a cast of dozens of women in the club including original dames Helen Lauenstein, Doreen Ushakoff and Kim Manneta as herself.

IT TRIED TO GET RID OF THE WOMEN, BUT THEY WERE MUCH TOO STRONG FOR IT'S EVIL PLANS!

Since the days of old when this "men's" club struggled with the thought of letting women join, there have been those who called upon forces of evil to bring it back to the dark ages. Well listen here buster it's much better with women! Including Woman President's so don't get all crazy, enjoy the fun.

The Speaker this week was Francisco Grassetti, our Rotary Exchange student. While his last name sounds suspiciously Italian, Francisco claims to be from Argentina. He seems to know lots of interesting stuff about the country; its natural beauty, its economy, its sports, its prominent citizens and definitely its food, so he may be telling the truth. He also had some pictures of himself there with friends and family - he even snuck in a picture or two of his girlfriend. Francisco has been a Rotarian since he was 14 and told us that he has made many friends through Rotary. We hope he includes all of us among them.

Raffle
 Francisco drew Bill Beckman's ticket. Bill drew the Jack of Hearts - close, but no cigar!

Jocularly with Joe

Since we've lost our mojo, we bring you a new column that will explore the fun and humor that is Joe Bubrski. No one knows humor more than our ex-prez Joe who has been entertaining the back corner table for years as well as being on tour with Bob Hope and Ann Margaret back in the day for the troops.

West Point guys love to taunt the other services, so here is a few beauties from the humor file or parade ground whichever you prefer:

Q: How many Air Force Cadets does it take to change a flat tire?
A: Three, two to go for beer and one to call daddy.

Q: How many Navy Midshipmen does it take to change a flat tire?
A: Five, one to change the tire and four to lament how wonderful the old tire was.

Now that's some knee slapping humor, not this amateurish filth from the sprocket editor! - Big Joe
