ROTARY:  
MAKING A  
DIFFERENCE

# MORE PLEASE SIR?

Not something you hear very much at Danversport, but since we are making our own lunch today you can bet there will be lots of second helpings. Yes we will be making our own lunch today, it seems as if getting Jennifer Freedson in our club was strategic and timely! You can look forward to these delightful foods today:

- Larry Herman musk appetizers
- Sweet and Sour Shukas
- Piaker Pizza Roundlets
- Nonni Marcus' Gefilte Fish
- Bubriski Hot Cross Buns (gluten free)

**Bonus:**

Not one mention of any Christmas characters or bizarre holiday innuendo, losing our touch or saving it up for next week?

## Yes, Virginia, there is a Mayor Cahill

Despite rumors to the contrary YES there was THE Mayor Cahill at our meeting last week. He spoke about the state of the city which sounds pretty good. Various topics such as downtown development, parking a trash removal were raised. A reminder please make sure this sprocket gets recycled since it is trash to start with. Just doing your best to make a clean world.

HEY! I'm the goofiest food guy around and you didn't invite me to Diners, Drive-Ins and Church Halls! How dare Rotary do a meal with me being involved. I could have brought my special jack Sauce which takes everything up a notch on the flavortown scale. I will file a formal complaint with the Health Department!  
- Guy Fieri

## Talk Like Your President

If you ever wanted to get on the good graces of your President, then you need to speak her lingo. We offer these tips to get you in the inner circle

### Good things

Chris and Ann came and spoke to us about a movie at the Cabot, last night, the Burlington Club to join our club. Pic-Bending the ARC which was a very powerful film about the Foundation for Global Health Equity. Well attended and well received, see it if you can.

### New Member nook

Welcome Adam Wynn who wisely left the road off 128

## Farewell Francisco

Our exchange student Francisco gave a heartfelt talk that he will be leaving the United States and returning home to Argentina this past weekend. Although his time was brief he did make an impact on many of us. He was very active in many activities in the High School, as well as our club. We wish him the best of luck and only want the best for him in the future as he pursues his life goals. You will be missed our young friend.

## Wait staff tip reminder

The wait staff for our luncheons has been nothing less than glorious, you can show your appreciation by making a contribution in their honor to be presented at the 12.21 meeting. Please be as generous as you can. We suggest \$20 in long green.

and Mark Breslin/Landmark for their  
work with the Santa Parade

Thad introduced Chris Welch and Ann  
Barker of Build Health International,  
a construction company that builds  
medical facilities throughout the world.  
Currently working in 3 continents. Built  
state-of-the-art hospital in Haiti fol-  
lowing the earthquake. Screening of  
"Bending the Arc" next Wednesday,  
December 6th at the Cabot.

Next Thursday's meeting is not at the  
Danversport. It is at St. Peter's Church  
and Chet Marcus, Deb Marcus, and  
Sue Gabriel described the format. We  
will be preparing and serving our own  
lunch. My guess is it will be better  
than Danversport's usual smorgasbord

of leftovers. Our meal prep will also  
include meals to be delivered to the  
Methodist Church for their community  
dinner that night. Sign up for specific  
slave labor jobs. Email Chet Marcus  
with questions.

Francisco, our youth exchange student,  
announced that after much self-reflec-  
tion he is ending his exchange. It was  
a very tough decision for him and he  
apologized for making the decision  
that he has made. Thanked the club,  
Dr. Jamie, the Gabriel family for their  
support and hospitality.

### NEXT WEEK'S MEETING NOT AT DANVERSPORT-AT ST. PETER'S CHURCH

### New Member Induction

After a long struggle and fight with the  
microphone, Larry Herman inducted our  
newest member, Adam Wynn who is  
a commercial lender with First Ipswich  
Bank (another banker, I know). Adam is  
a past member of the Burlington Club,  
but left in good standing due to a job  
change. He lives in Beverly with his  
wife and 3 children.

Adam was sponsored by Neiland  
Douglas.

After telling Adam he was supposed  
to give him a gift (i.e. the new member  
package), Larry then informed Adam  
that he did not have it. Make up for  
Larry's lack of hospitality by giving  
Adam a proper welcome to the club in  
the coming weeks.

### Birthdays

El Pres and Bill Howard share the same  
birthday that was last week.

### Sergeant (Derek Maxfield)

Sergeant was disappointingly cut very  
short by El Pres which I am sure will  
draw large fines from the Sergeants in  
the coming weeks, whom I hope stick  
up for each other

Happy Dollars  
Jack Good (Family, Air BnB, Florida)

recent city election and for getting em-
