Talk Like Your President

If you ever wanted to get on the good graces of your President, then you need to speak her lingo. We offer these tips to get you in the inner circle

CHANNAL IT:

To change the television station. Example: "I'm sick of watching 'Sex in The City.' Go channal it to 'Man vs. Wild' or sumptin.

Last Weeks Speakers

Jo Broderick and Moiph waxed on and waxed off on their experiences with Rotary over the last 18 years. Yikes has it been that long! Time has been kind to Jo, Moiph is taking a noreaster on the chin. Moiph was initially pissed that Rotarians don't have cool hats, drive little cars or have a secret handshake. He has gotten over it and just plays by the Rotary rules, service above self.

SAVE THE DATE Installation Dinner June 28th

You received email already and you know many will follow. If you save the date, pay up front you can cut down on email blabber. We will be inducting Matt Piaker and the incoming Board of Directors. Weather is always perfect and we will bid farewell to President Maureen (has it been a year?) Did we tell you open bar? Did we tell you lawn twister? Do the right thing, sign up today and beat the crowds.

Heritage Day Recap

Helen and Milt Lauenstein graced us with their presence, as well as Yaffa and the Countess. We couldn't track him down but Chuck (Patterman) Patterson was there as well. Thanks for coming to make it a special day.

As done in the past special raffles were offered up with a garden theme, We couldn't track down Almiris but she won garden gloves, Weenie won a shovel, Judith won a rake and Tom is going to San Francisco with flowers in his hand. A nice day to revisit the past and connect with long time members.

Garden Planting

Due to bizarro spring we had to move planting to May 29th to accommodate mother nature. If you can help out contact Moiph, I guess you have his email. Best part is post planting party at the house of Temkin where you will be treated like a king or Queen, very much like Harry and Meghan.

Softball Victory

The softball team pulled out a 9-5 win against Danvers. Bats came alive mostly by the inspiring hitting of Marshall who went 4-4, never hitting ball out of infield. Diving catches from Ozzy, dropped balls by Tim and line drive snags by Moiph ensured the Beverly Tea would join the win column. Skipper Scott is looking forward to next tilt against Salem/Marblehead on the 29th. Said the Skipper "we're looking forward to kicking some ass and taking names!"
