## Talk Like Your President

If you ever wanted to get on the good graces of your President, then you need to speak her lingo. We offer these tips to get you in the inner circle

**COME HERE ONCE:** A request for someone to come to you. Example: "Inga, I need you to come here once and show me how to cook dis deer meat."

Last week speaker was none other than our own Sheriff Kevin Coppinger who came with his own entourage from the Middleton House of corrections. He spoke about how he always thought of himself as a Clint Eastwood type of Sheriff (rebuttal from Clint below) and the efforts that the department uses to try and rehabilitate prisoners NOT throw away the key. He gave a nice presentation of what they do and little know facts such as he now knows back roads in smaller towns to avoid traffic. We tried to pump him for info but he was tight as a drum. Great speaker just don't break the law.

"I know what you're thinking. "Did he eat six desserts or only five?" Well, to tell you the truth, in all this excitement I kind of lost track myself. But being as this Silverado Spoke, the most powerful fork in the world, and would fill your head with sugary delights, you've got to ask yourself one question: Do I feel hungry? Well, do ya, punk?" Mr Coppinger seems like a nice fellow, don't know him just holed up in Carmel By The Sea

Includes the hit songs:

**Guest Speaker:** Sheriff Kevin Coppinger (1st year on the job) gave a very informative talk about how much is being done in Essex with individuals who have been sentenced to less than 2 ½ years in a House of Correction. The Sheriff's office provides many programs to rehabilitate those who are sent their way. The goal is to send these people back into the community in better condition than they came in. The Sheriff joked they are running the biggest Bed & Breakfast, with no recommendation from Tripadvisor. They are also utilizing Video Conferencing in order to limit the amount of time and security it takes to move inmates around. Although it is still early in the process, the detox units at the Middleton Jail have been a huge success. We are grateful for the work being done at the Sheriff's office!

### Raffle:

Mark Munoz had the "winning" ticket. Yup, you guessed it, he did not find his Queen.
