Financial Advice

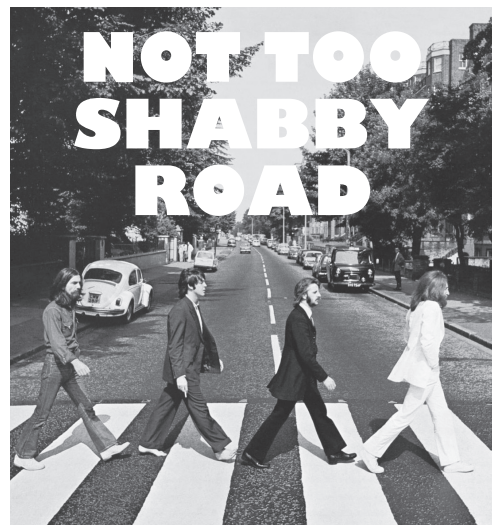

**MONEY MATT-ers**

Dear Matt,  
 Now that we are on the back nine of the fiscal year, I was wondering what is a good place to shelter my money from new tax laws drawn up by the Trump administration? I'm so confused.

– Pepe on Pearl Street

Dear Pepe,  
 You are not alone many have questions about the new tax laws. My advice to clients is to relocate to the Fiji Islands since they don't have extradition laws with U.S. plus they have marvelous golf courses. May your drives always be true, and your putts delightful.

– Matt

## Save the Date

March 16, 2019 we will have a Beatles Reunion of sorts at the Cabot. The Fab Four (2?) will perform all the Beatles Classic as we raise money for great charities. Sarah MacBurnie will play Tamborine and be the Yoko Ono for the night in hopes of not breaking up the band. Stay tuned for more info down the road.

## Last Weeks Speaker

Tim Backlund from the Waring School gave a very informative talk about the school and what their mission is. Did you know Lex went to Waring and can speak French? Neither did we, now when we think of romance languages we will have Lex in our thoughts and minds.

## French version

### Dernières semaines orateur

Tim relund de l'école Waring a donné un discours très instructif sur l'école et sur leur mission. Tu savais que Lex était allé à Waring et qu'il parlait français? Nous non plus, maintenant quand nous pensons aux langues romanes, nous aurons Lex dans nos pensées et nos esprits.

## Finnish version

### Viime viikkoina puhuja

Tim Backlund alkaen Waring koulu antoi erittäin informatiivinen puhua koulun ja mitä heidän tehtävänsä on. Tiesitkö, että Lex meni Waring ja voi puhua ranskaa? Emme myöskään nyt, kun ajattemme romaanisten kielten meillä on Lex ajatuksemme ja mielemmme.

# THE HORROR, THE HORROR, THE HORROR!

Here on the North Shore, nothing is scarier than the month of October and Halloween in next door Salem. Except if you take a look at the horror that is Rotary. In the next few weeks you'll see posters from movies so frightening, so scary, you won't want to drink the kool-aid but run to the graveyard for peace and quiet. This beauty was from the 50's and is the story of a Financial Advisor that goes berserk on a small town, beware my friends!

Waring School started in Rockport in 1972 as a home school option. Currently, 160 students, grades 6-12 at College Prep level. Waring school is about the love of learning through a shared experience. 100% of graduates attend college/secondary school. Students begin each year w/ camping trip to meet new students and engage in outdoor activity as a learning experience. School is mixed aged classrooms (allows for mentoring aspects to it). Graduating class is 25-30 students each year. Waring School has no grades for students completed work; instead students receive narrative assessments from teachers.

Waring School is currently embarking on a capital campaign of \$6MM. \$500K will go to faculty support, \$500K will go towards student aide and \$5MM will go to renovate the main school building. Learn more by heading over to <https://www.waring-school.org/page/campaign>.
