Financial Advice

MONEY MATT-ers

Dear Matt,
 Curious what is preference for Turkey, light or dark meat? I know its not a financial question but wanted to ask
 –Tom on Trask Lane

Dear Tom,
 Glad you asked, some prefer white, some prefer dark, since dark is typically more nutrient rich and more tasty, in my opinion, I have to lean towards light. WHAT THE you ask after those factoids. Since darker is preferred I go with reverse psychology so people actually eat more dry pathetic white. May your drives be true and your putts delightful as they drop.

DCF event

The Rotary Club of Salem MA is organizing the annual Holiday Party for children in the Department of Children and Families (DCF) system. It will take place Saturday, December 1st in the Salem, MA High School field house (Wilson St., Salem MA).

This party has been organized by Salem Rotary for as long as we've been in Rotary. It supports children and their foster families during the holidays. Additionally, when enrolled into the DCF system, siblings are sometimes divided up into different homes. This district wide event that helps 130+ foster kids and their families. The total budget is between \$4,000-5,000 each year, and the money will be spent on bouncy houses, games, and, of course, on gifts for all the kids.

We'd appreciate if you could bring this funding request to your allocations committee and board this month. Please If everyone helps with a small donation we can make miracles happen. We do it every year!

Should your board approve this request please send us an email so we can make a note of your generosity (rinusoosthoek@gmail.com / Jason.consalvo@salemfive.com)

The mailing address for checks is:
