MONEY MATT-ers

Dear Matt,
Hermey or Dr. Meng Lee?
– Baffled on Bartlett Street

Dear Baffled,
Dr Lee of course he pays dues.
Hermey's a deadbeat. May all your putts drop and drives stay true.

Last Week's Speaker

Eric Magers of Seaside Sustainability, along with his team of young experts spoke to us about a project they are working on with a robot called Waste Shark (not be confused with Katy Perry's Left Shark). They showed some slides and a short video on the Waste Shark that cruises around picking up trash and other surface debris in our waterways and harbors. Can hold up to 700lbs of goo and also can test waters for cleanliness. The students explained many of the benefits of Waste Shark and why is a great environmental tool in the battle for clean water (One of RI objectives)
The Waste Shark is one of President Matt's and the clubs focus in our fundraiser coming up in March. A few Presidents from other water bordering clubs came to see demonstration, and hopefully jump on bandwagon.

Words from Father Matt

'Twas the night before our last meeting of 2018, when all thro' the club;
No golf for President Matt, he's spending his time in the 19th hole pub;
Weekly jokes and countdown to Dave Olson who will next wear the crown;
Make the members hope the Sprocket will use words with proper verbs and nouns;
We lost a few greats this past year, like Les Ray and Endicott's Dick Wylie;
But gained members Gene for a minute and Jillian Dubman who was recommended highly;
Over at the "Senior" table, jokes aside we wish only the best of health;
Mostly because combined as a group, they donate great amounts of wealth;
The sergeants plug along with great humor and react so clever and quick;
With Derek pulling the strings, no one wants to be shown the Shuka Shtick;
Rev. Julie, now a councilor and Mike's Duda tooling around on a motorcycle;
Sometimes the chaplains forget to show, Jack Good gets them out of a pickle;
So many new members, Paul Drinkwater, Brandon Campbell, and Leslie Gould;
Matt Blanchard, and rock star Ted Richard who's career since the 80's has cooled;
We finally have a club sporting diversity with Zaka, Almiris and dentist Dr. Lee;
When Meng is sgt, not sure what he says but so stinkin funny it makes us pee;
The future looks bright for Prez with Dave Olson, followed by Marshall Handy;
With those two running the show we are guaranteed no such thing as blandly;
Be the inspiration is this years theme and inspirational slogan and charge;
Our club is the toast of 7930, other clubs are weak and should be put on a barge;
Bob Murphy due to time and schedule couldn't do the North of Forty flick;
Was taken over with a best of version from Yaffa that went over like a brick;
With Past Presidents Maureen Trefry, Rich Mooney, Joe Bubriski and Thad;
Beckman, Broderick still floating around don't you miss Frank Kinzie a tad?;
Big event this year is a Beatle Tribute band Fab Four at the Cabot event;
Waste Shark is one of the beneficiaries, clean water initiative is money well spent;
Lawyers we have plenty of, Ozzy, Ruggieri, Fusco, Howard and Ciancuilli;
Rhyming Lori's name is hard, unless the sergeants look for dirt from a stoolie;
The softball team tried hard and were denied another year of being the champs;
Mostly young guys, Moiph is old guy on mound, new nickname should be gramps;
Sarah MacBurnie newly married is now a Liporto and we couldn't be happier;
Al Temkin and Larry Herman dress code and man styling couldn't be snappier;
Curtis Cogliano, Nick Biancianni, and always late Rick Ciolino carry Italian pride;
Dylan Jones tall, handsome and a banking stud by far has Rotary's longest stride;
For double the fun Grumpy and Happy represent for the people named Jones;
When Dianne gives happy dollars WEEKLY for son Matt we shiver in our bones!
We don't see much of Mayor Cahill or Jenn Freedson because she had a baby girl;
Sit with Ellen, Weenie, Rachel, Elizabeth, Margaret or Sue G. and your head will swirl;
Freddi and Tom C. had enough, going the retired route and living the dream;
Poor Brian DApice's run for city councilor never gained a lot of steam;
Don Kelley broke a rib, Bill Scanlon had a scare, Jackie was the Mamma Mia;
Neil Bernstein the snail, hasn't been around lately, maybe he's in Korea?;
Scott Dougherty, Mike Harrington are new grandparents and oh so happy;
If the speaker is boring Shuka, Contarino and Jim Davies may take a nappy;
We wish the best for Lex and Heidi and her health in the new year;
Mark Munoz will come clean your office if you have a messy holiday smear;
President Matt over joyed and happy with his year running the Rotary Zoo;
Looks forward to 6 more months then let Dave Olson take over dealing with goo;
And I heard President Matt exclaim, as he headed to greener links;
If we missed any names maybe next year we'll straighten out the kinks!

No good deed goes undone department

Our very own humble Rotary Club has been nominated as Non-Profit of the year by the Greater Beverly Chamber of Commerce. If this is new member Leslie's way of getting on our good side, its a start. Although having attended 5 meetings this year she is way ahead of her predecessor John Somes who is now missing meeting for Danvers YMCA. maybe this is the year we win instead of those "other" non-profits WHO CLAIM to do good!

NO MEETING NEXT WEEK

In case you haven't read your emails or Sprocket (WHAT!) We will NOT be meeting next week on December 27th. You get a pass to spend time on vacation, see Aquaman, drink like a fish, sleep in or do anything you want, you have the week off. We will be meeting again in 2019 on January 3rd when we dive into the back nine of President Matt's term. Feliz Navidad or whatever you celebrate to end the season on a high note. Have a super fun New Years Eve/Day and day after.

Current Bad Weather Policy

With Winter Coming we now have a policy in place about cancellation of meetings due to snow storms. If we have a significant snow storm, and the Beverly Public Schools are closed on a Thursday due to snow we WILL NOT meet. Even if its one of those that starts out at 5am like a bear but by 11am its bluebird skies, if Beverly Schools close, WE DO NOT MEET. We hope this clarifies any confusion about meetings on bad weather days.
