Financial Advice

MONEY MATT-ers

Dear Matt,
With fab Four night coming up soon, I googled Beatles and found out they did more than 300 songs. Why does the club repeat songs when their is such a large library?
– Angry on Abbott Street

Dear Angry,
Yes it is true that we have repeated todays song, but Dianne and Freddi realize that the club just can't pull off 3 part harmonies, nevermind 60 part. The club's vocal range is very limited and you can't make chicken salad from chicken S#@T. May all you're putts be for par and your drives true
– Matt

Last Weeks Speaker

Speaker last week was Jackson Burke an 8th grader at St John's Prep who has Type 1 diabetes. Recently diagnosed he is striving to work with it and is now training for a bike ride "Tor de cure". This fundraiser will raise money to help fight the explosion of Type 1 in youth. 1 in 11 people have some form of diabetes so it is very wide spread.
In other news based on photo, we recommend that when washing Matt Piaker DO NOT PUT IN DRYER, otherwise he will shrink. We want to keep Matt at his current size. Wash gentle and hang dry for size fidelity.

Year of the Pig

Aku, helped celebrate Chinese New Year by joining Moiph and the Kee's, Chin's, Lee's and Wong's for a Chinese New Year dinner. He proved himself worthy by wielding a dashing chopstick technique unheard of in these parts. I think he was surprised at the amount of food that came out that he small frame would be able to handle. He did quite well and is shown here enjoying Lobster all chopped up Cantonese style. It was a learning lesson as he realized never to join Moiph again for a dinner where 20 conversations go on at once. Plus he refrained from singing Happy Birthday in Finnish since we already had an American and Chinese version sung.
