## BID HIGH, BID OFTEN! Midi auction mantra hopes to drive huge amounts of cash.

As I approach the back nine of my term I look to solve world peace and fancy myself as the Avenger to champion all that is good and right in the world! I don't really look good as a woman (see black widow below). Although I could pass as any super hero if I like.... - Matt Hulk

BTW, bid high, it goes on my permanent Rotary record. Thanks.

Financial Advice

## MONEY MATT-ers

Dear Matt,  
Last week you answered a letter about someone being in love with Joe Bubriski! WTH! (What the heck). I thought this was a column about financial advice? Looking for stock NOT LOVE tips!  
– Angry on Abbott Street

Dear Angry,  
The writer of this column is actually a ghost writer NOT ME who sometimes swerves to the bizarre. If you look closely very few of the columns had any actual financial advice. If that's what you want make an appt and pay me you deadbeat.  
– Matt

### Last Weeks Speaker

Nothing says love more than receiving a Beverly Rotary mug, emblazed with a Rotary symbol, or at least what we thought as Meredith Goldstein, Love Letters columnist of Boston Globe our speaker last week was given. Meredith had many great anecdotes about letters written as well as comments from readers. It has made her life very exciting these last 10+ years. No tips on love were offered, you can get those from Jim Davies who's been married 50+ years. NOW that's love my pretties!
