Financial Advice

**MONEY MATT-ers**

Dear Matt,  
With the temperatures rising and spring just about here(technically is) was wondering what you suggest for a pre-golf season workout regimen? I want to be at my best this year and get my handicap down below 100. Any suggestions?  
– Tim on Thorndike

Dear Tim,  
Join a Country Club, spend at least 30 hours a week playing for at least 10 years, and realize you'll never be any good at Golf, you should have started when you were 3 like Tiger. May all you're putts be for par and your drives true, I hope this helped

**American as the old In and Out**  
Aku took a big bite out of American culture when on a recent trip to LA with the Pulido entourage he stopped into a In and Out Burger joint and sampled the real American dining options coveted by the rest of the civilized world. Not only would this dinner add much needed weight to his slight frame but also would increase his cholesterol count and blood pressure to record high levels. Ah to be young...

**Spring Cleaning at The Sprocket**

Every spring we go through our files and clean out the unused offensive or just plain wacky information for the Sprocket. We need a bigger dumpster. As an added bonus we gathered up the weak or just plain lousy Matt Piaker jokes to get them steam cleaned or donated to Bootstraps. We hope to have a newly refreshed spring like issue all nice and tidy very soon.

This week's Speakers were Eileen Berman and Thad Siemasko who

## ...Thursday, Mar. 28, 2019

spoke about aging in place and what to think about in an elder's home environment for health, safety and longevity in the house.

Dr Gil has figured out how to plan for elder care by living at Brooksby Village where they take care of all your needs.

Did you know Thad and Eileen went to same Worcester High School? Did you know Eileen snubbed her nose at Chess Club kids (Thad?)

### Raffle

Adam Winn had the winning raffle ticket, but did not have the winning card to win the jackpot

Respectfully Submitted,  
Nick Biancucci

### Last Week's Speakers

Thad and Eileen gave a very interesting and informative talk on "Aging in Place". It included challenges and insight on how to get the most out of your existing digs and what you may need to do to continue the lifestyle you've become accustomed to. Many of the 50+ age group was on the edge of their seats.

We did find out these two attended the same high school, although not close friends we did track down a photo from the "Enchantment by the Table Talk Factory Dance". Eileen's date, Rolph Zipper is now incarcerated in Walpole until at least 2030 for heinous crimes against humanity, Thad's date Susie Splastic has 9 children and her and husband Lance, run a fertility clinic in Athol that raises babies for Glovesky ads
