## HERITAGE DAY DREAMS! Our senior members come and show us how cool they are.

Chuck Patterson and Dave Contarino

Helen Lauenstein and daughter Maria

Dream team John Glovsky, Tom Alexander

Speaker Don Kelley with President Matt

Sue and Frank Kinzie

John Frates, plugging Pints for Pete and Bob Kraft jokes.

Hey wait a minute, I usually grace the cover with my image on something or someone? Is this what it feels like to be on the way out, you get bumped to bottom of page. I was hoping to be photoshopped onto Doris Day, or Tim Conway or even Peggy Lipton, for laughs, sigh... How about Bruins player? I feel lonely in my ivory tower (podium).

Financial Advice

### MONEY MATT-ers

Dear Matt,  
With all this rain in the past weeks/months, my game is way off. The soggy greens, the soupy fairways, not to mention how my designer golf shoes are soaked to the bone (bone meaning my feet). What else can I do for sport this spring and keep in shape before speedo season.  
– Mac on Mechanic Street

Dear Mac  
yes it has been a wet spring but sun will come out and dry up those greens. Be more like Matt Blanchard and ride a bike all around North Shore training for 5 charity bike races. I hear buns of steel but haven't checked yet with a squeeze test.  
– Matt

### Roster Book Updates

Soon we will be updating the Roster book to include new members and changes in your information. You can wait for Moiph to send an email but beat the Installation rush by sending info asap. Its all in the Roster book just take a look.. Ideally we have these done by Installation dinner to hand out en masse to all you good people.

### Sprocket Ad Space

You love the grammar mistakes, the photoshopped images and the world of bizarro, we are talking about the Sprocket you are reading. We may have ad space open in this award winning (dream on ) publication. Let Moiph know if you want to have an ad. We can help put together an ad for you if you don't have an in house art department. First come first serve so don't think just do.

according to Matt

- Incredibly hard to take notes on, multi-layered, intricate, heritage jokes that I can assure you received good laughs in discussing Heritage Day, Sgt

Bill cited Several members on their own heritage:

Neiland Douglas, a former Taft Presidential Page, heritage showed a Great-great uncle Douglas Douglas who made a name for himself as the first mail-order bride service in the US bringing in Bolshevik Brides to lonely American men.. Neiland's second cousin twice removed, Mike Douglas had personally imported TWO brides from Hungary, Eva and Zha-zha Gabor. Rev Mike Duda had a long lost great grandpappy who was a plantation minister who wanted to honor his son by naming him after his two favorite disciples James and John. He eventually became famous as Zebidee Duda, a gospel spiritualist.

Chet Markus history is significant for an pilgrim ancestor (Uncle Schmelmo) who sailed on the Cauliflower to open the first Bagel shop in the New World. Tom Alexander had all of his heritage redacted on Google

Aku told of an ancestry of Berserkers, who later sailed for the new world. They moved to Minnesota and invented Jello Salad in Maureen Trefry's hometown.

- \$5 to all Women for doing twice the work as men

- Derek and Larry for being the "odd couple" ("one dressed beautifully and one slob")

- Connor Mooney for his hair looking like he was the exorcist

- Again, not quite sure what Beckman was saying. Which I'm sure can be said for most things that come out of his mouth at all times. Something about Chet and Elmo that made me laugh

- Tom Alexander for having his history redacted from 1982

- Sean Goudreau was born in the back of a rock van

- \$1 to all guys for not knowing what women want
