Financial Advice

**MONEY MATT-ers**

Dear Matt,  
I was at the Fab four event this past weekend. I saw you on stage and was surprised how small you looked. I thought you were taller, what's up with that?  
– Pete on Pine Street

Dear Pete,  
I did a search and you were sitting in row NN in the balcony. The laws of physics and perspective were at work here. From your viewpoint yes indeed I may have looked small, but much like looking out the observation window in the PRU people look smaller on ground level. Take a perspective class at Montserrat, you'll understand.

**Last Weeks Speaker**  
As rare as a Unicorn and just as magical, we had Mayor Cahill show up and give us the low down on Beverly. Things sound like they are going well and highlights included:

A new restaurant on the waterfront in the next 20 years.

More building along Rantoul Street

Free soda in all the Hallways

Underground tunnel connecting Beverly, MA with Beverley, England

Peace and Tranquility.

On a side note Ed Cahill was relieved to see his fine level reduce, if just briefly, it is encouraging. Will we see the mayor again? Of course we will but that is another story to be told.

In the club where I  
was a member  
Lived a non-gender specific  
person, who sailed the sea  
And they told us of their life  
In the land of Rotary koolaid

So we sailed off to the sun  
Till we raised a sea of green  
And we lived beneath the  
waves in our yellow

We all live in a yellow

## Good Friday Crossing Guards

It is that magical time of the year when we do a service project to help the poor in our city. That is volunteering to be a crossing guard for the 40th Good Friday Walk. Easy work just make sure kids, adults and dogs don't get mowed down in traffic as they walk the 10 miles from All Saints Academy on Cabot street out to St John's in the FAARMS. An email was sent out and we already have many volunteers but we can do better, on your tables are sign up sheets with available spots open. WWJD? What would Jackie do if her knees were 100%? She would stand and help out. You of good knees can do the hard wok for her. If you have trouble making meetings this is a great way to do a service project and get brownie points. Date is April 19th. Let moiph know if you can help.
