

2023-2024 A Prez Named Sue

The mystical and mysterious world of Beverly Rotary and carriage house casual (although shorts could be seen on soem hairy legs) To be honest it's a good look for the club, since ties and suits are so passe and for goodness sake it's summer lighten up folks. Some rare sightings; The Kinzie's, and for GOD'S sake teh Mayor!!! A great night of fun and a perfect setting to start or end teh year depending on how you look at it. And no that wasn't Sean's wife, she couldn't make it.
