MAKING SENSE OF INVESTING

Forget Power Ball and Mega Millions you have no chance to win. You have an itch well here is you're way to scratch! Summer Scratch Fever is back for the 2nd MONSTER year. See how we just added a #2! Just 100 tix sold, \$50 per ticket. Details coming very soon.

Dear Sue:
I'm stuck in a tower with nothing to eat except Thai noodles and ginger snap cookies. The only thing I can do is text you my plight. Any thoughts on what to do? I'm desperate and my glasses are fogging up.

GASTRONOMY WITH GABRIEL FOODIES FORUM

Dear Rope,
You didn't mention if you have access to water or if you have a window. I guess first things first. If you have a window, its a great start you can plan your escape. If no running water, then collect you own perspiration into a large pot. After you collect about a gallon (may take a few months) position pot in window at high noon, take your glasses and make an acute angle with light point at base of pot. When it reaches a boiling point, toss in the noodles and cook EL DENTE!, you need some structure to make a long braid to rappel down. If you can coat the noodles while braiding with moss and mildew from your tower for a well earned snack. Combined they taste strikingly like Pesto. Rappel down noodles to freedom. You can enjoy ginger snaps at bottom as a reward. Bon appetite and happy escaping your dilemma

Last week news and info

Party on Patio meeting started around 5:30, some drinks and band listening. Real meeting started at 6:00 and ended at 6:01. Me thinks even quicker than a Jones meeting. We had visitor's from scandinavia, Chiomi, Aku and Markus from Finland. Mostly we keep it brief by showing lots of pictures, including little Milo, HOORAY!!
