Last weeks Speaker

John Paddol, who by the way is son in law to Tom Chattelier spoke to us about all things Beverly Rec and how to get your groove back. Like many businesses facing challenges during COVID with fluid rules restrictions etc. New website, dumped the old program book that we all looked forward to snail mail. And dealing with sometimes testy people who want things NOW (Vercu Salt) or calls and chants from Florida about having a fever and the only cure is more Pickleball, MORE PICKLEBALL. Please bring us more Pickleball will you Mr Paddol!

Looking for relics like Yaffa

We are looking for items to put into a time capsule box for our 100th year anniversary. Could be some trinket or photo or item that shows what is the cut of our jib. We have some items but looking for more. Perhaps an award when you were president or some other honor. We are trying to score a Yaffa scarf from his extensive collection. If you have something ANYTHING, contact moiph for collection and history.

Speaker

Jon Paddol is the Assistant Director of the Beverly Recreation Department and life-long resident of Beverly. He worked at the Rec Department at a young age, then pursued a real estate career, and returned to the office on March 9, 2020 just before the pandemic began.

Due to COVID, most activities were held off until March 2021. He has a lot of ideas and dreams of activities he would like to implement. Jon likes to bring the community together in new and different ways, so this summer, he hopes to bring it back to pre-pandemic levels of attendance. They did a toy drive after Thanksgiving, an adult cornhole tournament, and basketball leagues have started. Camp Paradise is a venue where they have been able to hold events, like a haunted forest and cookie decorating for Halloween.

Upcoming events include cornhole tournament, strength training boot camps, fly tying, tai chi, meditation, digital marketing class for small businesses and more. They are always looking for ideas and talents, so reach out to Jon if you have an idea. Rotarians can also help them advertise their programming. Pickleball is something they would like to pursue, but there are certain limitations on space that prevent them from pursuing it.

Big news is that they are no longer sending out the big booklets, so they will look at informing the community about this change. Rotarians can also help by volunteering in December for the North Pole call in program on December 21-23.

The Swierczynski Swizzle Schtick

Stop the presses, my Paul Harris harassers, it has been brought to my attention that I might have misspoke. Your honor, may I approach the bench? (sidebar sotto voce) If it please the court, it appears that last week in the kodachrome flood of memories that accompanied my recollection of both my hometown of Springfield, Vermont, and *Paradise by the Dashboard Lights*, I giddily claimed that my Springfield was the mythic home of the Simpsons. A groundswell of naysayers rebutted my claim, quoting Matt Groening himself who grew up in Portland, Oregon, and says the Simpsons reside in Springfield, Oregon, a couple of towns over. As Bart Simpson once wrote on the blackboard 500 times, "The true location of Springfield is in any state but yours." And while I whisper this sidebar, may I also offer my respects to the recently departed volcanic balladeer that the French call Pain de Viande (meatloaf) who was laid to rest last week in the celebrated Pere Lachaise Cemetery in Paris where he will rest among such neighbors as Balzac, Proust, Colette, Sarah Bernhardt, Maria Callas, and, most appropriately, Jim Morrison. Doubt me at your own risk, Sprocketdoodles. This week's cocktail is The Sidebar Side Car, that cognac drink directly descended from an old New Orleans cocktail called the Brandy Crusta, named in honor of that celebrated goddess/backup singer for the aforementioned Monsieur de Viande: combine 1 1/2 oz cognac, 3/4 oz Cointreau, 3/4 oz freshly squeezed lemon juice, and garnish with a twist of orange. A sugar rim on the glass is optional but, let's face it, a touch of sweetness is always welcome when issuing so many retractions.
