Last Weeks Speaker

Outside of looking at maybe throwing an orange fastball last week speaker BBBBBB BBBBBB of Long Hill estate opened our eyes to all the new things happening at Long Hill with programs, weddings, events and much more. This hidden treasure is a place to visit or perhaps even have an off site meeting? Great info and no Scottish accent.

Looking for memorabilia

We are looking for items to put into a time capsule box for our 100th year anniversary. Could be some trinket or photo or item that shows what is the cut of our jib. We have some items but looking for more. Perhaps an award when you were president or some other honor. We basically can accept anything of dubious value but important to club. Contact moiph for collection and history.

The Swierczynski Swizzle Schtick

Just hold your PaulHarrisalooza a gosh darn second and let's talk "Triple Stumpers" on JEOPARDY. Sure, we'll talk about judges and presidents because JEOPARDY is all about judges and presidents and laws and legal judgements but lemme get this straight: you tell me right before the commercial break that the Final Jeopardy Category is FAMOUS AMERICANS and I'll tell you "BET THE HOUSE." And I know there's a big payday heading down the pike, when the answer is "He was buried in 1969 in one of the World War II jackets named for him." Easy peasy, right? Nada. All three contestants were stymied, though two ventured "Flak" as in Flak jacket. Really? REALLY? As in President Flak? Or General Flak? If you listened carefully that night, you could have heard Joe Bubriski shouting in Wenham, "DWIGHT EISENHOWER, you morons, it's an EISENHOWER JACKET!" Rest assured, Triple Stumpers are non-partisan. A few nights earlier, all three contestants looked like boiled owls when this answer appeared in the category JOHN F. KENNEDY "When serving in the Navy, JFK became a war hero when he saved his crew of this patrol boat." What? You three stumblebums never heard of PT 109????? So today's cocktail is the Triple Sec Stumper aka the Cadaver Reviver which is guaranteed to produce blank stares: take 3/4 oz tequila, 3/4 oz triple sec liqueur, 3/4 oz lillet blanc, 1/2 oz freshly squeezed lemon juice, and 2 dashes of absinthe. Shake all ingredients with ice and fine strain into a chilled coupe glass. Garnish with a lime zest twist...Waaaaiiiiit a minute. Say it ain't so. "About 2,000 women attend this college in South Hadley Massachusetts, one of the Seven Sister Colleges". This was a Triple Stumper? Damn. Better make that 4 dashes of absinthe.
