Looking for relics like Yaffa

We are looking for items to put into a time capsule box for our 100th year anniversary. Could be some trinket or photo or item that shows what is the cut of our jib. We have some items but looking for more. Perhaps an award when you were president or some other honor. We are trying to score a Yaffa scarf from his extensive collection. If you have something ANYTHING, contact moiph for collection and history.

Last weeks Speaker

The multi degree earning Dr. Andre Morgan spoke to us about an analogy of unpopped kernels of corn and how not to let those fall away in terms of falling behind. A very powerful speaker and then he sealed the deal by handing out what can best be described as popcorn "crack" in a bag. Sweet and salty, we took two should have took 10.

Speaker:

Dr. Andre Morgan leads Opportunity, Access and Equity for Beverly (MA) Public Schools. Dr. Morgan brings more than 14 years experience in education - including roles as teacher, principal, equity director, training and development officer, and collegiate professor and dean. In these experiences, he has worked with administrators, practitioners and students in culturally, racially and economically diverse contexts. He has also directed key reform initiatives and areas in the education sector, including: Service Learning Communities, School Culture, Turnaround Partnerships, Career and Technical Education, and Online Education. Dr. Morgan holds a Doctor of Education Leadership degree from Harvard University, a Doctor of Philosophy degree from American University, a Master of Teaching degree from the University of Virginia and a Bachelor of Arts degree, also from the University of Virginia. An avid outdoorsman, Dr. Morgan appreciates and engages in adventure sports. He has jumped out of airplanes, swam with sharks, hiked trails during torrential downpours, and has climbed a couple of mountains.

Dr. Morgan handled out popcorn to the group and he spoke about how to find the uncooked kernels in the pot, looking to not leave the kernels behind.

Dr. Morgan was given an orange on behalf of Jack Good representing health.

The Swierczynski Swizzle Schtick

In her confirmation hearings before the Senate Judiciary Committee in July 2009, Supreme Court nominee Sonia Sotomayor prefaced her remarks on the role of the prosecutor by saying that she was inspired by watching the Perry Mason television series as a child, with the weekend blizzard I thought what's good for Sonia is good for me. So I binged watched the old Perry Mason TV show to get through the storm. I always had a school girl crush on Raymond Burr (LOVED REAR WINDOW!) and fancied myself as Della Street, except I wasn't the confidential secretary but the lawyer running the whole dang thing. Around season 3 I started to thirst for something more than black and white re-runs. Looking in the pantry I found some Mason jars "acquired" from the Texas Roadhouse restaurant. I needed a good blizzard drink to pass the time and went with a "Burr Blur" - 2oz London Dry Gin, 2 oz Pimm's Blackberry & Elderflower, 1 oz Lillet blanc Handful of Fresh Blackberries, plus more for garnish, Sprite, to top, Lemon Slices, for garnish, Fresh Mint, for garnish. Step one In a Perry Mason Jar,® add a small handful of fresh blackberries and muddle. Step two Add gin, Pimm's and Lillet Blanc the Mason jar. Step three Add ice and top with Sprite, stir to incorporate. Step four Garnish with fresh blackberries, fresh mint and lemon slices. You'll never lose a case when you lose yourself in a Burr blur, the perfect blizzard beater.
