Last meeting news, Thursday Feb 24, 2022

We start with Dave Olson's prayer

Let's give thanks to those Beverly citizens of 100 years ago who founded this club in the spirit of service above self. A century later, we're still following their example.

Let's give thanks to the thousands of Beverly Rotarians who over the past 100 years have offered action in a time of crisis, comfort in a time of pain, and a helping hand when help was hard to find. We stand on the shoulders of each and every one of them today.

Let's give thanks to the wise Rotarians who voted to invite women into the club, and give thanks to those women who stepped up to serve, and to lead. They made us twice as smart and effective. More than twice, actually. They showed we can continue to grow, and that diversity is our strength, and our future.

And finally, let's give thanks for each other, everyone in this room. These are challenging times, to put it gently. So tonight, let's recognize the joy we find in being together, in fellowship. Each and every one of you brings something unique and wonderful to this club. And together, we have the power to change lives. We've proven that to be true for 100 years. Let's give thanks for the opportunity to do it for 100 more.

Meeting called by Diane at 6:40 PM

Special thanks to Jackie, Brian, and Sue, for putting together this whole event!

Let's look back and think about all that the club has done! *Toast*

Sue Gabriel
We are 101 years old TODAY!

We did more in the past year than any other year. Here are some of those things: scavenger hunt, champagne tasting, garden work, social media campaign, block party, pumpkin painting, beer crawl and bourbon crawl, parade, literacy project, BCLC, networking night. So many activities!

We did over 1800 hours of service to the community - with the help of 85 Rotarian volunteers! Shout out to Eric Immerman for the work he did coordinating these opportunities and getting the website up and running.

We made countless donations to the city (for gazebo repairs), for scholarships, and to so many nonprofits and more.

Brian Murphy Toastmaster:
To all the do-gooders who came before us, who are ahead of us, and all around us now.

Lookin' good, fellow Rotarians! Did you have some work done? Cause you don't look a day over 100, grrrr! Yes, dear, I know, it's really one-hundred-and-one but 101 is for counting dalmatians NOT milestone anniversaries and what a swell party that was! Now maybe it's because it's March and I'm gliding into my FOURTH - and final - QUARTER as your el presidente, but I'm in the mood for some luxury. Ergo the question of the day is: "What's good with Luxardo?" So put on your chinos, as we go spelunking for some Luxardo Original Marraschino Cherries. As one purveyor put it, "Skip the chemically induced glow of the dark red flaming cherry (MEOW!) and pamper yourself with the La dolce vita of Luxardo." Today's recipe is a classic Cuban cocktail, El Presidente (see what I did there?): take 2 oz golden rum, 1 oz blanc vermouth, 1 oz orange curacao, and 1 teaspoon of grenadine. This is a stirred cocktail, so save your shaking for the dance floor, and stir the ingredients over ice, strain into a stemmed glass, and garnish with orange peel and - wait for it - a Luxardo cherry. Yeah, go ahead, make that two; they're gluten free. You mighta come in here like a lion but you're leaving like a lamb. Bottoms up!
