HELLO 2022

After the end of last year, which was a real bummer, I'm going all Jackson Pollock* using Veri Peri (color of the year) and making myself happy. Plus not one drip on me.

Culture Corner Clarification

*Jackson Pollock was an American painter and a major figure in the abstract expressionist movement. He was widely noticed for his "drip technique" of pouring or splashing liquid household paint onto a horizontal surface, enabling him to view and paint his canvases from all angles.

Or see if you can find documentary:
Who the #\$%% Is Jackson Pollock?

Call for Donations for Communities in Rotary District 6760

Please share this email with your clubs, districts friends and social media groups – thank you.

Dear Rotary Members in Zones 30 and 31,

Once again, #RotaryResponds where human needs are great.

Last week, in addition to the devastation in Kentucky, a total of 15 tornados devastated towns in Middle and Western Tennessee as

storms swept through the state. Winds of up to 135 miles per hour ripped up communities and tore up the lives of those who survived. Small towns such as Dresden, Dickson, Kingston Springs and Samburg in our own District 6760 have lost homes, entire business districts and neighborhoods, and destroyed livelihoods, with many people in need of basics such as a place to sleep and shelter, non-perishable food, gas cans and storage bins, as well as cleanup equipment. This article covering a visit to the area by Tennessee Governor Bill Lee includes photos of some of the hardest-hit communities in West Tennessee.

Rotary District Governor in 6760, Michael Babb, district leadership, and Rotary clubs in the devastated communities are organized to accept donations and contribute to helping these communities survive, recover and rebuild.

At this very special time of year, those who survive have little to celebrate. Please help. Here's what is currently known, and what you can do.

Rotary District 6760 is accepting donations to assist communities in need who have been affected by the tornado. Please make checks out: to: "Rotary District 6760" and include "Disaster Relief" in the memo, and mail to:
RI District 6760 Treasurer
P.O. Box 399t
Dickson, TN 37056

The Rotary Club of Dresden, through Past District Governor April Lieberman, has established a relief fund that they will use in assisting victims.

You can make a donation:

Online at this link: <https://www.gofund-me.com/f/dresdentornado>

Via Venmo to @DresdenRotaryTornadoReliefFund

By mail to Dresden Rotary Club Tornado Relief Fund, P.O. Box 652, Dresden, TN 38225.

If you have a network of suppliers who are willing to donate supplies, or are considering sending a team of recovery volunteers, please contact Michelle Balsley at rotary6760disaster@gmail.com.

Please help out our communities that are in need at this time of year when family, peace and compassion are especially important. Thank you for being a Rotarian, and thank you for your compassion.

Sincerely,

Elizabeth Usovich
Director, Rotary Zones 30 and 31

The Swierczynski Swizzle Schtick

As we enter a New Year, 2022, I need a good stiff drink to help me get through a variety of issues eroding society. It needs to be strong, it needs to be effective, it needs to quench a thirst that only a tumbler of spirits can cure. First get a bottle of grain alcohol, mix with one part gasoline, two parts Clorox®, and shake vigorously in a mixer. Strain liquid through Proud Boys® bandana into a tumbler filled with ice. Now before you take a sip be sure to wear some kind of garment, hat or other piece of clothing with an American flag pattern. Not only will it give you instant street cred as being a true American (damn the fashion police, just doesn't wear as well as say British Union Jack! See Spice Girls for fashion tips). Or you can just wear a Buffalo head chapeau as a nod to indigenous people. Again before you take a sip go to your local state capital OR United States Capital, assemble a group of like minded friends for an afternoon of fun and games. I call this concoction "Insurrection Injection", which to truly savor, pour into a syringe and inject into bumpus, where brains seem to reside and gather. You may ask where's the law connection? Well as we write case is in courts and higher places of knowledge being debated. To quote Rodney King from way back " Can't we all just get along". Welcome 2022 don't get us started....
