### Speakers last week

In another body blow to your fragile ego, we heard from this year’s scholar recipients, who are already very accomplished young adults. Not just brains but deeds set these 4 apart from the rest. See inside for better notes from Ken. We have from left on bottom: Olivia Arenburg, Jaiden Arroyo, Mia Kasperowicz, Madison Saunders. Oh yeah chair Lori at top left with bookends Sue Charachuk and Betty Taylor from beloved BHS. Not too shabby for a public school, eh?

### Garden Watering True Stories

Proof that women do the work in Rotary, Anne Curry spotted watering garden as husband John is admiring her watering technique we assume. or man splaining the proper way to water. Drive by if you can, roses are doing fabulous as well they should.

### Speakers:

Lori Cianciulli, scholarship chairperson, presented the 2022 Beverly Rotary Scholarship winners. The committee vetted applications from three area high schools, all of whom demonstrated academic excellence, extra-curricular involvement, and financial need for attending 2 or 4-year colleges. Four scholarships were awarded to students; all are from BHS.

The first awardee was Olivia Arenburg. Ranked #1 academically, she was the 2022 BHS valedictorian, as well as student council president. She was active in school theatre productions and bands as a guitarist, and founded the Human Rights Club at BHS. She will major in International Relations at Vassar College.

Jaiden Arroyo was the next honoree at the podium. He spent two years in the Essex Tech partnership program, and participated in another course at NSCC. A talented writer, he has contributed to the BHS literary magazine.

His mother’s work in a group home program working with individuals afflicted with mental illness has greatly influenced him. This fall, he will pursue a pharmacy degree at Mass College of Pharmacy and Health Sciences.

Graduating the top 5% of her graduating class, Mia Kasperowicz has demonstrated competence and determination in all her endeavors. A 3-season track athlete, she started slowly but had become team captain by her senior year. She was one of two students selected to present the view of the BHS student body to the City Council. With an aptitude for and enjoyment of numbers, she will study Accounting/Finance at Clemson University.

As captain of the BHS gymnastics team as a senior, Madison Saunders understands the value of hardwork and dedication. She is a lifelong resident of Beverly, and is particularly proud of the city she calls home and admires the positive impact Rotary is making. Intending to major in Occupational Therapy at UNH, she looks forward to becoming fully involved in the college community

## Walt retirement

A great turnout for Walt’s retirement party where he scored entertainment from Macca who still isn’t retired even though a few years older than Walt. At left is not actually Walt but a nice cutout, which was decided more interesting the real Walt. No pictures of Bob Murphy’s retirement lunch, since I guess no ones cares. - Editor

# The Swierczynski Swizzle Schtick

The nation’s first Father’s Day was celebrated on June 19, 1910, in the state of Washington. However, it was not until 1972—58 years after President Woodrow Wilson made Mother’s Day official—that the day honoring fathers became a nationwide holiday in the United States. Father’s Day 2022 will occur on Sunday, June 19. Talk about not getting your props, ssheesh!!! Typically and traditionally the day is celebrated with dad’s grilling some meat and having a goodly amount of drink, not a dram but a more hefty goblet. As you know my father passed away this past year and he was many things including a soldier in the Polish Army, first class ballroom swing dancer and a fan of this column. To all the dad’s out there we offer up a Bourbon and Blood (since your dad is your blood fellow Rotarians): 1 oz bourbon whiskey, 1 oz blood orange liqueur, 1 oz sweet vermouth, 1 to 2 dashes orange bitters, 6 small leaves fresh tarragon, Orange peel, for garnish

### Steps to Make It

Gather the ingredients, Combine all ingredients in a cocktail shaker with ice, Shake briskly 15 times, Double strain into a chilled cocktail glass, Squeeze the oils of an orange peel over the drink, then lightly place it into the cocktail as a garnish. Toast your dad living or otherwise.

You may ask where is the legal/lawyer connection? Well if you try bad mouthing my dad or any other dad I’ll slap a defamation lawsuit on you quicker than you can say “dad, where are babies from?”
